

# Summer Reading Challenge!

- You should spend 30 minutes reading at least 4 times a week.
- You should at least finish the book you are going to **donate to your form library**
- Every time you read, get your sheet signed by a parent/carer.
- Each time you read you should select a word that you didn't know before/were unsure of the meaning - **find the definition & try to use it**
- Each time you read, make a **note of the pages you read** and **summarise** what has happened.
- Draw a line after each entry so your log is clear.

Book Title and Page Numbers Read	What Happened in This Section?	New Word	Definition	Parent/Carer Signature

Book Title and Page Numbers Read	What Happened in This Section?	New Word	Definition	Parent/Carer Signature

**Competition:** Write a book review or create a poster advertising your book for your form. This should help students decide which book to read. Try to make it colourful and eye-catching. The best from each form will be entered into an inter-form competition. **Bring this sheet, your reading book donation and your review/poster on the first day of term.**

Finished the table? Carry on with your reading but make sure you are still recording it on another piece of paper.
