5 Qualifications Offered

The qualifications offered at this centre are decided by the Head of Centre and Governing Body, ensuring duties towards disabled candidates and compliance with all aspects of the Equality Act 2010†, particularly Section 20 (7) are met.

The types of qualifications offered are GCSE (and equivalent), Functional Skills, Entry Level Certificate (and equivalent), and other academic, vocational and outdoor certification of appropriate units based on the provisions provided.

The subjects offered for these qualifications in any academic year include the core subjects of English, Mathematics and Science, along with other curriculum subjects that are appropriate to the set timetable and programme of studies for individual students.

Qualifications offered to pupils are chosen based on the fundamental value of preparing pupils for their next stage of education, training, or employment. If there is to be a change of specification for the next year, the exams office must be informed.

Informing the Exams Officer of changes to a specification is the responsibility of the teacher delivering the specification. For instance, switching from OCR to AQA for English. If there will be a change to a specification for the next year, the exams office must be informed by first week in September of the new academic year.

Discussions on whether a candidate should be entered for a subject, will be held by Senior Leaders in consultation with the teachers who deliver the subject, the SENCo and EHCP and where appropriate, the parents or carers responsible for individual pupils. The final decision on exam entries for each cohort will be made by Senior Leaders.

6 Exam Series

Internal exams (mock or trial exams) and assessments are scheduled as appropriate – a decision made by Senior Leaders in consultation with the Exams Officer at the start of the academic year.

Internal exams, classed as internal and NEA and controlled assessments are not held under external exam conditions, but under the guidelines for NEA and controlled assessments as expressed by the JCQ and as per the NEA and Controlled Assessment school policy.

External exams and assessments are scheduled in any exam series that is appropriate.

The Head of Centre and SLT decides which exam series are used in the centre.

The centre does offer some assessments on an on-demand basis. If offered, on-demand assessments can be scheduled only in windows agreed between the subject teachers and the Exams Officer in line with exam board guidelines.

7 Exam Timetables

Once confirmed, the Exams Officer will circulate the exam timetables for external exams at a specified date before each series begins to both staff, pupils and parents/carers both written and on the school website.

8 Entries, Entry Details and Late Entries

Candidates or parents/carers cannot request a subject entry, change of level, or withdrawal.

The centre does not accept entries from private candidates, due to the nature of being a SEMH school. However, will support and direct private candidates to a list of centres willing to accept entries from private candidates which can be found on the JCQ website: <https://www.jcq.org.uk/private-candidates/>

The centre does not enter candidates for a qualification at the same level and in the same subject multiple times in the same series (e.g. by entering a candidate for the same subject qualification with different awarding bodies). For example, a candidate must not be entered for AQA GCSE Mathematics and OCR GCSE Mathematics in the same series. This is to manage the increased risk of security breaches due to inappropriate timetable variations and is also generally in the interests of candidates to avoid detrimental effects;

The centre does not act as an exams centre for other organisations.

Teachers will provide estimated entry information to the Exams Officer to meet JCQ and awarding body deadlines.

Entries and amendments made after an awarding organisation's deadline (i.e., late) require the authorisation of a member of the Senior Leadership Team in writing.

Re-sit decisions will be made by the Head of Centre in consultation with the teachers and the Exams Officer. These decisions will be made on an individual basis.

9 Exam Fees

Candidates or departments will not be charged for changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes provided these are made within the time allowed by the awarding bodies.

The Exams Officer will publish the deadline for actions well in advance for each exam series.

- All exam entry fees are paid by the centre.
- Late entry or amendment fees are paid by the centre.

Fee reimbursements are not normally sought from candidates:

- if they fail to sit an exam
- if they do not meet the necessary coursework requirements without medical evidence or evidence of other mitigating circumstances

- payment decision of re-sit fees will be made on an individual basis by the Head of Centre.

10 Equality Legislation

<https://www.gov.uk/government/publications/equality-act-guidance>

All exam centre staff must ensure that they meet the requirements of any equality legislation as per the Equality Act 2010. This includes a duty to explore and provide access to suitable courses, submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates. They must enable candidates to receive sufficient and up to date laboratory experience, or relevant training where required by the subject concerned. Please refer to Willow Bank School Equality Plan Policy and Disability Equality Scheme & Accessibility Plan.

The centre will comply with the legislation, including making reasonable adjustments to the service that they provide to candidates in accordance with requirements defined by the legislation, awarding bodies, and JCQ. This is the responsibility of the Head of Centre.

The delivery of examinations and assessments involving the processing of candidate personal data is undertaken in line with the General Data Protection Regulation and Data Protection Act 2018. All candidates and parents/carers (Re: pupils having SEMH needs as per their EHCP) are informed of the processing of this data during the appropriate examination process. Please refer to Willow Bank School GDPR Policies.

11 Access Arrangements

The SENCO/Additional Needs Coordinator will inform subject teachers of candidates with special educational needs and any special arrangements that individual candidates will need during the course and in any assessments/exams.

A candidate's access arrangements requirement is determined by the SENCO/Additional Needs Coordinator as per 2.6.

Where the centre is under a duty to make a reasonable adjustment, the centre will not charge a disabled candidate any additional fee in relation to the adjustment or aid.

All current academic year Access Arrangements are detailed in the Access Arrangements Process Policy.

12 Contingency Planning

Contingency planning for all exam administration the responsibility of the Head of Centre and Exams Officer.

Contingency plans are available via email, school reception and briefing meetings and are in line with the guidance provided by Ofqual, JCQ and awarding organisations. Please refer to Willow Bank School Contingency Plan Policy.

The contingency planning will also take account of Public Health England, DfE and Ofqual guidance regarding what school and colleges and other centres should do if exams or other assessments are seriously disrupted and public health arrangements for exams. Please see separate sub policies issued by the DfE Public Health Arrangements for Exams and What school and colleges and other centres should do if exams or other assessments are seriously disrupted - which will be checked for updates as necessary and implemented by SLT.

13 Managing invigilators

External staff will not be used to invigilate examinations, as all pupils are subject to Statements/EHCPs. As a centre our priority is to ensure that each pupil is able to access the examinations and their individual requirements of their EHCP special needs are met.

Invigilators (Internal Staff) are identified, timetabled, trained, provided with an invigilation handbook and briefed by the Exams Officer and SLT at the start of each exam series.

14 Malpractice

The Head of Centre and Governing Body in consultation with the Exams Officer are responsible for investigating suspected malpractice as per the Malpractice Policy and Procedure.

16 Exam Days

The Exams Officer will check all exam rooms after liaison with other users and make the question papers, other exam stationery and materials available for the invigilator(s).

The Exams Officer will coordinate the setting up the allocated rooms.

The allocated invigilators in line with the Exams Officer's instructions will start and finish all exams in accordance with JCQ guidelines.

Any staff present must be in accordance with the rules defined by JCQ concerning who is allowed in the exam room and what they can do.

Subject teachers who have delivered exam content may not be present in the exam (except for the Art GCSE – as recommended by the JCQ).

In practical exams, subject teachers' availability will be in accordance with JCQ guidelines. Exam papers must not be read by any teachers who have delivered subject content or removed from the exam room before the end of a session. Papers may be distributed to teachers in accordance with JCQ's recommendations the day after candidates have completed them.

After an exam, the Exams Officer will arrange for the safe dispatch of completed examination scripts to awarding bodies working in conjunction with the Business Manager.

17 Candidates

17.1 School Candidates

The Exams Officer will provide written information to candidates in advance of each exam series. As all candidates have SEN, this information will be supplied via parents. A formal briefing session for candidates may be given by the Exams Officer and subject teachers.

The centre's published rules on acceptable dress and behaviour apply at all times. Candidates can expect that rooming, timing, and invigilator arrangements will always be appropriate to their needs. Candidates must, however, accept that all arrangements are made with consideration to the overall day to day running of the centre. Candidates are therefore expected to adhere to any rooming, timing and invigilator arrangements.

Candidates will leave bags, coats, and other belongings before they enter the exam rooms to sit their examinations with the invigilator. Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage.

No unauthorised materials are allowed in the exam rooms. In an exam room candidate must not have access to items other than those clearly allowed in the instructions on the question paper, the stationery list, or the specification for that subject. This is particularly true of mobile phones and other electronic communication or storage devices with text or digital facilities. Any precluded items must not be taken into an exam room for example a watch.

Disruptive candidates are managed in accordance with JCQ guidelines. Candidates are expected to stay for the full exam time at the discretion of the Exams Officer.

Note: candidates who leave an exam room must be accompanied by an appropriate member of staff at all times.

The Exams Officer is responsible for handling late or absent candidates on exam day.

17.2 Private candidates

The centre does not accept entries from private candidates, due to the nature of being a SEMH school. However, will support and direct private candidates to a list of centres willing to accept entries from private candidates which can be found on the JCQ website: <https://www.jcq.org.uk/private-candidates/>

Supporting and advising private candidates is the responsibility of the Exams Officer.

Supporting and advising Access Arrangements and taking the appropriate steps regarding the gathering of an appropriate picture of need and demonstrating normal way of working is the responsibility of the SENCO.

17.3 Clash Candidates

The Exams Officer will be responsible for making arrangements for clash candidates including

- Supervising escorts
- Identifying a secure venue
- Arranging overnight stays where necessary

18 Special consideration

Should a candidate be unable to attend an exam because of illness, suffer bereavement or other trauma, be ill or otherwise disadvantaged or disturbed during an exam, then it is the candidate's responsibility to alert the centre's Exams Officer, Head of Centre or other admin member of school staff to that effect.

The candidate must support any special consideration claim with appropriate evidence within 3 days of the exam.

The Exams Officer will make a special consideration application to the relevant awarding body within 3 days of the exam.

19 Internal assessment

It is the duty of relevant subject teachers to ensure that all internal assessment is ready for dispatch at the correct time. The dispatch may be facilitated/completed by the Exams Officer. The Exams Officer will keep a record of each dispatch, including the recipient details and the date and time sent.

Marks for all internally assessed work are provided to the Exams Officer by the relevant subject teachers. The Exams Officer will inform staff of the date when appeals against internal assessments must be made by. Any appeals will be dealt with in accordance with the centre's Internal Appeals Procedure (IAP) document found on the school website.

20 Results

Willow Bank school will keep results entirely confidential and restricted to the head of centre, examinations office staff and key members of teaching staff within the centre (at the discretion of the head of centre), until the official dates and times of release of results to candidates. Willow Bank will refer to the JCQ publication Notice to Centres – release of results: <https://www.jcq.org.uk/exams-office/results-and-certification>

Willow Bank will contact parents/carers prior to the examination results to obtain and maintain accurate candidate contact information to ensure the correct and secure despatch of results.

In addition, candidates will be made aware of the arrangements for post-results services prior to the issue of their results.

Candidates will receive individual results slips on results day either:

- in person at the centre
- posted or emailed providing specific consent has been given in writing

The results slip will not be in the form of a centre produced document.

Parents/carers have the responsibility to notify the school of any change of address. The school will not take responsibility for results that have gone missing because of a failure of parents/carers to notify school of a change of address.

Arrangements for the centre to be open on results days are made by the Head of Centre.

The provision of the necessary staff on results days is the responsibility of the Head of Centre.

Dates of results days each year will be publicised for all candidates through the school website and letters home.

20.1 Enquiries about Results (EAR)

EARs may be requested by centre staff or the candidate following the release of results.

A request for a re-mark or clerical check requires the written consent of the candidate, a request for a re-moderation of internally assessed work may be submitted without the consent of the group of candidates.

The cost of EARs will be decided by the Head of Centre.

All decisions on whether to make an application for an EAR will be made by Head of Centre.

If a candidate's request for an EAR is not supported, the candidate may appeal, and the centre will respond by following the process in its Internal Appeals Procedure (IAP) document.

All processing of EARs will be the responsibility of the Exams Officer, following the JCQ guidance.

20.2 Access to Scripts (ATS)

After the release of results, candidates may ask subject staff to request the return of written exam papers within 14 days of the receipt of results.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

An EAR cannot be applied for once an original script has been returned.

The Head of Centre will decide whether the cost of EARs will be paid by the centre or the candidate.

Processing of requests for ATS will be the responsibility of the Exams Officer.

20.3 Certificates

Candidates will receive their certificates in person (hand delivered or collected from the centre).

The centre will use a standard 'signed for' pro forma letter when in person delivery or collection is used. This form must be used as proof the certificates have changed hands.

Certificates can be collected on behalf of a candidate by third parties, provided they have written authority from the candidate to do so and bring suitable identification with them that confirms who they are.

Willow Bank will contact parents/carers prior to the examination results to obtain and maintain accurate candidate contact information to ensure the correct and secure despatch of certificates.

After reasonable attempts to re-contact candidates to collect their certificates in the first year of leaving, the school will not see it as a responsibility to continue to try to contact candidates.

The centre retains certificates for 3 years. The school has a right to confidentially destroy certificates that have not been collected after 3 years. When certificates are confidentially disposed of, students will have to contact the awarding body and may be charged a fee from the awarding body to obtain them. The exams officer keeps a recorded database of all certificates that are disposed of.

A new certificate will not be issued by an awarding organisation. A transcript of results may be issued if a candidate agrees to pay the costs incurred.
