1. Introduction

Regular School attendance is essential if children are to achieve their full potential.

Willow Bank believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.

Willow Bank values all pupils. As set out in this policy, we will work with families to identify the reasons for poor attendance and to try and resolve any difficulties.

Willow Bank recognises that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, bullying, behaviour and inclusive learning. This policy also takes into account the Human Rights Act 1998, the Disability Discrimination Act 1995 and the Race Relations Act 2000.

OBJECTIVES

- To promote good attendance
- To provide an effective and efficient system for monitoring attendance and punctuality.
- To recognise the external factors which influence pupil attendance, build strong relationships and work with parents to address these and ensure pupils have the support in place to attend school regularly.
- To reduce absence, including persistent and severe absence
- To encourage pupils to take full advantage of their educational opportunities by attending school regularly.

2. Legal Framework

This policy draws from the advice and guidance outlined in the following documents and is underpinned by the DFE statutory guidance, “working together to improve school attendance” 2022.

Further details of which can be found at: [working together to improve school attendance Summary table of responsibilities for school attendance \(publishing.service.gov.uk\)](https://publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/106122/working-together-to-improve-school-attendance-summary-table-of-responsibilities-for-school-attendance.pdf)

Children missing in education 2016

Keeping children safe in education 2022

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable for their age, ability and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise.

A child is of compulsory school age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16. Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

The Education (Pupil Registration) (England) Regulations 2006, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

The register must record whether the pupil was:

- Present
- Absent
- Present at approved educational activity or
- Unable to attend due to exceptional circumstances.

3. Categorising Absence

Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.

Absence can only be authorised by the school and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence has been received.

Parents should advise the school by telephone on the first day of absence and provide the school with an expected date of return. This should be followed up in the form of a written note from the parent/carer, though verbal explanations may be acceptable where this is considered appropriate. Alternative arrangements will be agreed with non-English speaking parents/carers.

Absence will be categorised as follows in accordance with the guidance from Government and the Local Authority.

ILLNESS

School must be notified EVERY DAY a pupil is absent unless a doctor has set a period of absence. This can be done by:

- phoning the school on 01744 678745 and recording a message on the absence line
- replying back with the reasons your child is absent to the absence text message sent on the day of the absence

Parents may be asked to provide medical evidence where there are repeated absences due to reported illness. This will usually be in the form of an appointment card, prescription etc.

MEDICAL/DENTAL APPOINTMENTS

Parents are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, pupils should attend school for part of the day. Parents/carers should show the appointment card/letter to the school.

OTHER AUTHORISED CIRCUMSTANCES

This relates to occasions where there is cause for absence due to exceptional circumstance, for example a family bereavement or visiting a parent in prison.

Parents can ask permission to take their child out of school due to an 'exceptional circumstance'. However, this will only be granted at the discretion of the Headteacher.

Parents wishing to take their child out of school for an exceptional circumstance must complete a Leave of Absence request form (available from school) and return it to the head teacher before any arrangements are made. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised.

Each request will be considered individually and will take the following factors into account:

- Pupil's educational needs
- General welfare of the pupil
- Circumstances of the request
- Purpose of the leave
- When the request was made

All requests for leave of absence will be responded to in writing. Where a request has been granted the form should state:

- The expected date of return
- That parents should contact the school should any delays occur
- That the child's place may be withdrawn after a period of 10 school days if the family does not return as expected.

If a pupil fails to return and contact with the parent has not been made or received, and if it cannot be ascertained where the child is and/or why they do not have good reason for returning, school may take the pupil off the school's roll in compliance with the Education (Pupil Registration) (England) Regulations 2006. This means that the child will lose their place at school.

If permission to take leave for an 'exceptional circumstance' is not granted, or not requested, and the pupil still leaves anyway, the absence will be recorded as unauthorised. In such cases the school may issue a Penalty Notice.

Only in exceptional circumstances will absence of more than 10 school days be agreed. In such cases, consideration will also be given to cultural needs and family circumstances, such as minority ethnic children returning to their country of origin. In these cases, granting leave for longer periods than normal may be considered justified. In all cases though, parents will be required to justify why the leave needs to be taken during term time.

EXCLUDED (NO ALTERNATIVE PROVISION MADE)

Exclusion from attending school is counted as an authorised absence. The child's class teacher/form tutor/Head of Learning will make arrangements for work to be sent home.

FAMILY HOLIDAYS AND EXTENDED LEAVE

Since September 2013, Headteachers are not permitted to authorise absence for any family holiday. The current law does not give parents any entitlement to take their children out of school for a holiday in term time. Any absence that a child has due to a holiday, unless it meets the current legislation, will be unauthorised and will contribute to a potential legal sanction.

RELIGIOUS OBSERVANCE

Willow Bank acknowledges the multi faith nature of British society and recognises that on some occasions, religious festivals may fall outside the school holiday periods or weekends and this necessitates a consideration of authorised absence or special leave for religious observance.

It is reasonable for a parent to allow their child not to attend school on any day of religious observance if recognised by the parent's religious body.

Parents are requested to provide advanced notice to the school if they intend their child to be absent. However, in the interests of fulfilling the academic requirements of the school and limiting the authorised absence rate of the school, it is identified as reasonable that no more than one day be designated for any individual occasion of religious observance/festival and no more than three days in total for the academic year. Any further absences will be categorised as unauthorised.

STUDY LEAVE

Study leave will be recorded as authorised absence and may be granted sparingly, only to Year 11 pupils during public examinations. School will offer in school study programmes during this period to reduce absence levels and provision will be made for those pupils wishing to come into school to revise.

TRAVELLER ABSENCE

The aim for the attendance of Traveller children, in common with all other children, is to attend school as regularly and as frequently as possible.

To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1944, section 86, states that a traveller parent is safe from prosecution if their child accrues 200 attendances (i.e. 200 half days) in a year. This is only when the family are engaged in a trade or business that requires them to travel and when the child is attending school as regularly as that trade permits.

LATE ARRIVAL

Registration is 8:45am – 9:00am, pupils are expected to arrive each day by 8.45am. Pupils arriving after 9am will be marked as present but arriving late.

On arrival after the close of registers, pupils must immediately report to the school office to ensure that we can be responsible for their health and safety whilst they are in school.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.

Pupils who are persistently late and miss learning time may incur a Penalty notice.

UNAUTHORISED ABSENCE

Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the school.

Examples of unsatisfactory explanations include:

- A pupil's/family member's birthday
- Shopping for uniforms
- Having their hair cut
- Closure of a sibling's school for INSET (or other) purposes

- Illness where the child is considered well enough to attend school
- Holidays taken without the authorisation of school

4. Deletions from the Register

In accordance with the Education (Pupil Registration) (England) Regulations 2006, pupils will only be deleted from the register when one of the following circumstances applies:

- The school is replaced by another school on a School Attendance Order
- The School Attendance Order is revoked by the Local Authority
- The pupil has ceased to be of compulsory school age
- Permanent exclusion has occurred, and procedures have been completed
- Death of a pupil
- Transfer between schools
- Pupil withdrawn to be educated outside of the school system
- Failure to return from an extended holiday after the school and Local Authority have tried to locate the pupil
- A medical condition prevents their attendance and return to the school before ending compulsory school age
- In custody for more than four months (in discussion with the Youth Justice Service)
- 20 days continuous unauthorised absence and both the school and the Local Authority have tried to locate the pupil
- The school will inform the Local Authority when a pupil is deleted from the register
- Left the school but not known where he/she has gone after both the school and the Local Authority have tried to locate the pupil

Willow Bank will follow St Helens Children Missing Education Protocol when a pupil's whereabouts is unknown.

- Not keep their child away from school to go shopping, to help at home or to look after any other members of the family

6. Using Attendance Data

Pupil's attendance will be monitored and may be shared with the Local Authority and other agencies if a pupil's attendance is cause for concern.

The Attendance Officer and the Designated Senior Leader responsible for attendance meet regularly to review individual pupil and whole school attendance data. They will provide class tutors/teachers with attendance data for their respective groups to ensure attendance is a high priority for the school.

The Attendance Officer and the Designated Senior Leader responsible for attendance will determine where each pupil fits on the attendance hierarchy of need/support/reward/action and instigate the appropriate action.

7. Support Systems

School recognise that poor attendance is often an indication of difficulties in a child's life. This may be related to problems at home and/or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and/or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required.

Willow Bank also recognises that some pupils are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical and/or mental health needs, migrant and refugee pupils and looked after children.

The school will implement a range of strategies to support improved attendance. Strategies used will include:

- Discussion with parents and pupils
- Attendance meetings
- Parenting contracts
- Attendance reviews
- Referrals to support agencies
- Learning mentors
- Pupil Voice activities
- Friendship groups
- PSHE
- Family learning
- Reward systems
- Additional learning support
- Behaviour support

- Early warning letters
- Home visits
- Reintegration support packages
- Transport support
- TESSA Referrals
- Education Welfare Service Consultations

Support offered to families will be child centred and planned in discussion and agreement with both parents and pupils.

Where parents fail or refuse to engage with the support offered and further unauthorised absence occurs, parents/legal guardians will be warned of the legal consequences of escalating attendance issues. Willow Bank will consider the use of legal sanctions.

CELEBRATING GOOD ATTENDANCE AND PUNCTUALITY

It is important that good attendance and regularly arriving to school on time is acknowledged, celebrated and rewarded. Achievement in attendance is as important as achievement in subjects and this should be embedded within the whole school approach to reinforce good school attendance. Points for attendance will be given weekly to all pupils achieving 100% attendance. Awards will be given each term to pupils who achieve and improve throughout the academic year.

8. Legal Sanctions

PROSECUTION

Willow Bank School will always work with families and other professionals to understand barriers to accessing education and provide support. Where intervention and all other avenues of support fails to bring about an improvement in attendance, the Local Authority will be notified and legal action in a Magistrates Court may be taken. The school will provide the Local Authority with evidence required for prosecution under section 444 of the Education Act 1996 and will appear as a prosecution witness if required by the court. This is to ensure that parents realise their own responsibilities in ensuring attendance at school and most importantly about returning children to education.

Section 444 of the Education Act 1996 states that if a parent fails to ensure the regular school attendance of their child if he/she is a registered pupil at a school and is of compulsory age, then they are guilty of an offence. A parent found guilty of this offence can be fined up to £2500 and/or be imprisoned for a period of three months. Alternatives to section 444 prosecution are Parenting Contracts, Penalty Notices (fine), or an Education Supervision Order.

PARENTING CONTRACTS (ANTI SOCIAL BEHAVIOUR ACT 2003)

A Parenting Contract is a voluntary agreement between school and the parent, it can also be extended to include the child and any other agencies offering support to resolve any difficulties leading to improved attendance.

The contract will outline attendance targets and will detail agreed actions that will help to achieve the target. It will be reviewed regularly and can be used as evidence in a prosecution should parents fail to carry out agreed actions.

Parenting Contracts will be used in accordance with St Helens Parenting Contract Protocol.

PENALTY NOTICES (ANTI SOCIAL BEHAVIOUR ACT 2003)

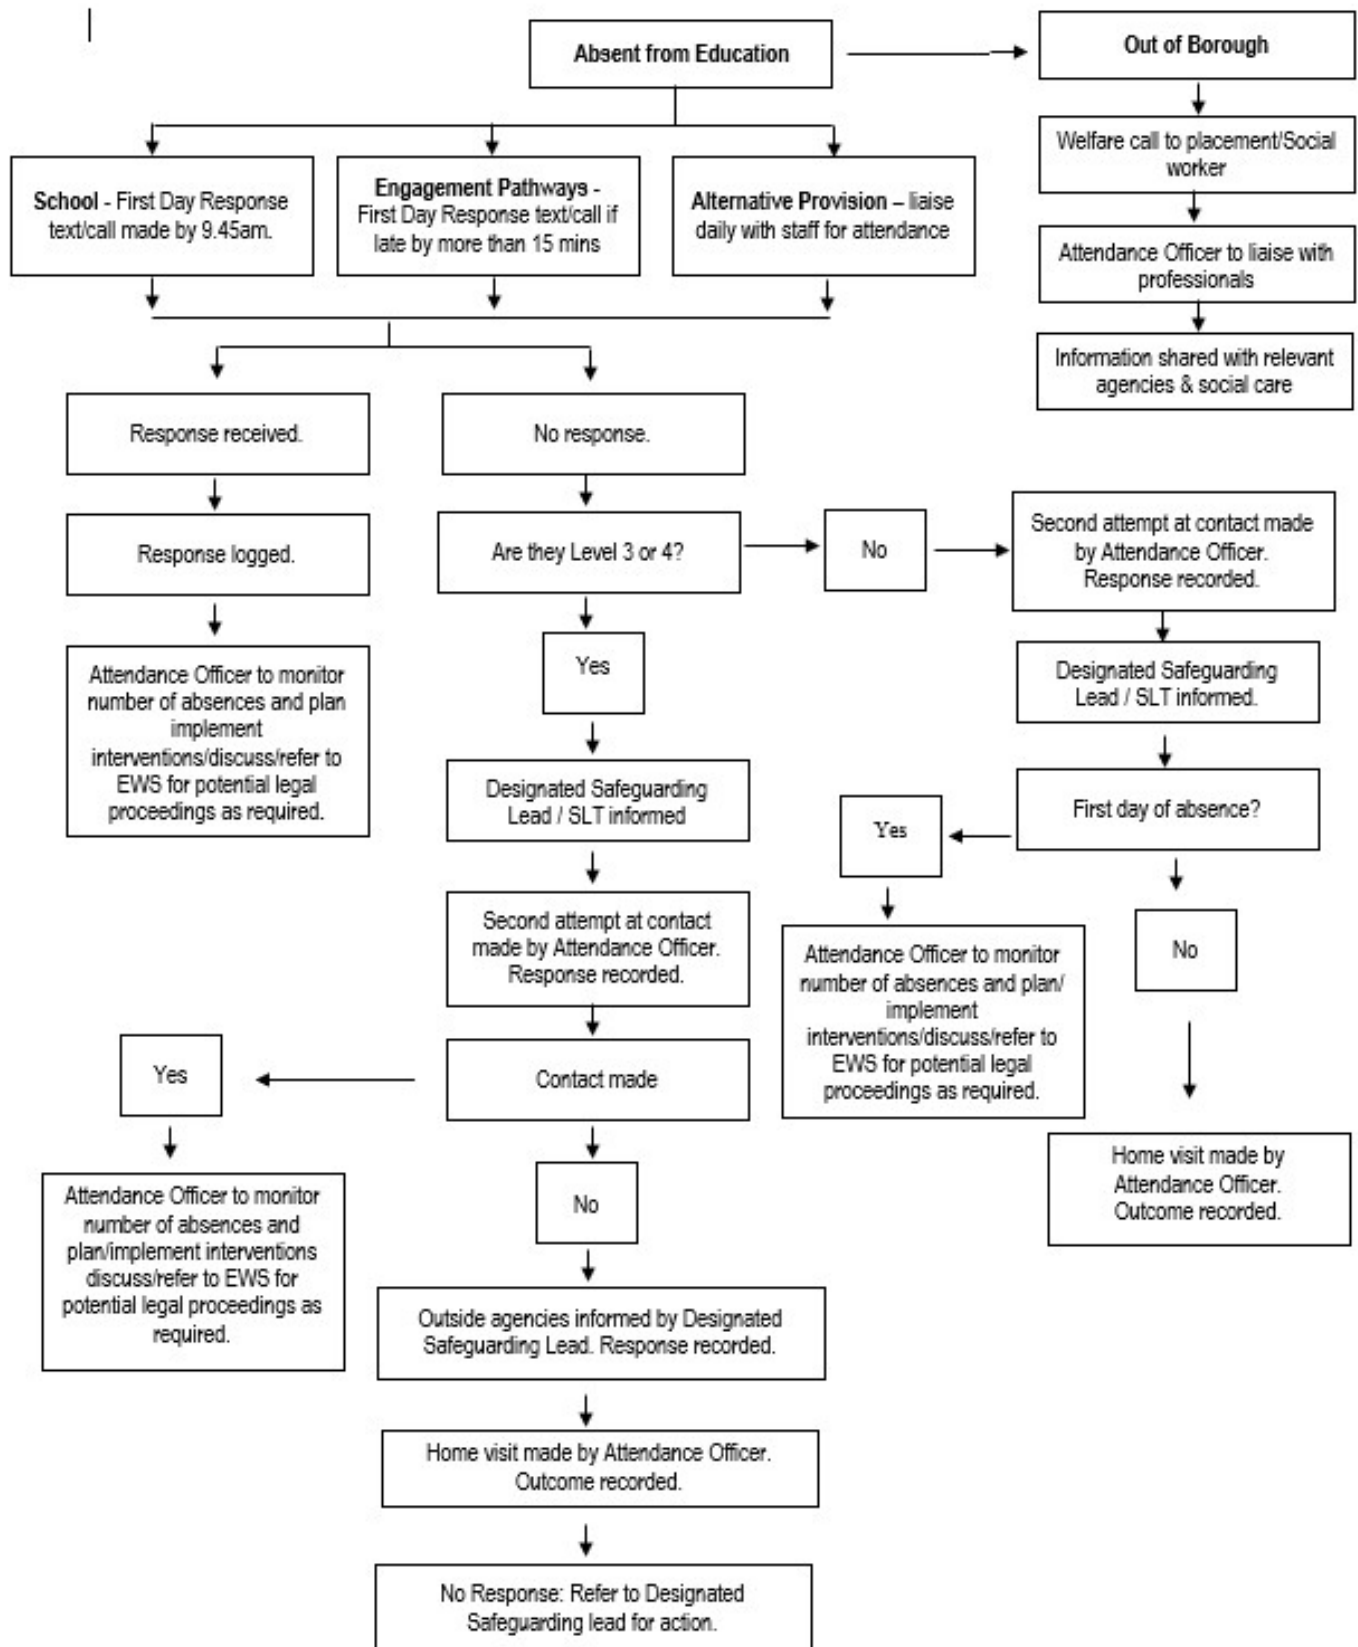

Penalty Notices will be considered when:

Can be issued

- If a pupil is absent from school for the purpose of a holiday in term time, and the absence has not been authorised by the school.
- If a pupil who has at least 70% attendance on their register, has accumulated at least 10 school sessions of unauthorised absence within an 8-school week period.

Penalty Notice gives the parent the opportunity to discharge themselves of their legal responsibility if a £60 fine is paid within 21 days or £120 if paid within 28 days of the date the notice was issued.

Failure to pay the Penalty Notice may result in a prosecution under Section 444 of the Education Act 1996. Penalty Notices will be used in accordance with St Helens Penalty Notice Protocol.
