

*'Encourage one another and build each other up'
(1 Thessalonians 5.11)*

Key Stage One

The Great Fire of London!

Since returning to school Class One have been focussing on locating London using mapping skills. They have looked in detail at different landmarks and have created their own pictures of these for our class display. They will be moving on to think about The Great Fire of London and how this historical event unfolded and the impact of this on London at the time. They will also be investigating 'structures' as part of their STEM/ DT work. Class One's RE focus during these few weeks will be 'Easter'.

Key Stage Two

Extreme, Extremes

In Class Two we are continuing to look at extreme natural phenomenon including volcanoes, hurricanes and tsunamis. In History we will continue to look at the Mayan civilisation. In Science our focus remains 'The Human Body'. Our English will include cross curricular work linked to Kensuke's Kingdom by Michael Morpurgo. Alongside this, we will be looking at building shelters and surviving on a desert island!

In our worship this half term, we are celebrating Lent and Easter.

Welcome Back! Curriculum News Spring Term March 2021

Our Thursday Carousel starts today.....
Each Thursday afternoon we are going to have a learning Carousel, consisting of three different sessions - Woodland Adventures with Mrs Darling, 'Wonder' with Mrs Shaw, and Well - Being with Ben (our Pro Sport Coach).
The children have been divided into three mixed age groups - *The Pioneers, The Adventurers and The Explorers!*
Exciting!

Stepping Forward ...

Since the children returned to school, we have started our process of assessing where they are in their learning. This will help us to plan our curriculum and teaching arrangements as quickly as possible. Thank you for sending all your child's home learning back to school, it was lovely to see how much they had achieved at home.
