

MARCH

25th

NEWSLETTER

Dear Parents and Carers,

We have received notification from LCC that they have had to increase their charge for school meals to £2.40 per day.

They have tried to keep the cost down for as long as possible but with the increasing food, transport and energy costs it has been inevitable that the charge has had to be increased. The price increase will come into effect from w/b 29th August 2022

We will still be providing the same healthy meals and we hope that you continue to support us in providing hot meals for all of our children.

Dates for your diary.....

Sunday 27th March - St. Luke's Mothers' Day Service - all welcome

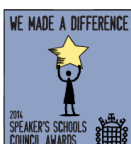

Friday 1st April - End of term, finish at 2.30pm

We are making a change to our uniform from September 2022!

When we come back in September we will have our new Tree Logo embroidered onto our jumpers and cardigans and we will also be adding a white polo shirt with the tree logo instead of the current shirt and tie. The Jumpers/Cardigans and polo shirts will be available to purchase from the Uniform, Sports and Leisurewear shop in Garstang.

Our Pre-School already have these items with the new logo so I'm sure you will all have seen them and agree that they look much brighter and will be more comfortable than the tie.

We would like to say a special thank you to all the children and their parents who have supported the GCA small Schools Sports events this term. The children have taken part in several different sports and we really appreciate the support that our parents have given us to enable the children to continue taking part in these events. We have had some great successes along the way, the last one being the Cross Country earlier this week. Well done team Winmarleigh!
