Friday 30<sup>th</sup> April 2021

Dear Parents and Carers,

We have had an excellent week in school!

On Monday we had a fantastic Birds of Prey talk and display. I hope you all managed to see the photos on SeeSaw; the children were transfixed!

On Tuesday Nikki Detko came into school to talk to the children about her experiences as a member of the GB Transplant Games Team. Nikki really encouraged the children to try as many sports and activities as they can, regardless of their level of skill. Nikki was truly inspirational and reminded us all that, with determination, anything is possible.

Our Family Zoom Bingo on Wednesday which great fun - thank you again to the PTFA and especially to our caller - James!

Yesterday, Paul Heatherington's team very kindly came to take away items from the school grounds and today Janet Cadman very kindly organised a team to come and varnish some new benches which the PTFA has bought for us. So, all -in all a busy week!

We are extremely grateful for such wonderful support from our parents, **thank you.**

We hope that you all enjoy a lovely Bank Holiday weekend.

Please find the attached details of today's Celebration Assembly.

Kind regards,  
Mrs Alexander
