Friday 7<sup>th</sup> May 2021

Dear Parents and Carers,

**NSPCC Maths Day**

The children are having a great day celebrating all things Maths. Mrs Shaw set an exciting Maths Treasure Hunt which the children worked in teams to complete this morning. It is an absolute delight to see the children all working so cooperatively together. Thank you so much for your donations, we raised £46 for the NSPCC.

**This week....**

Eleanor McKone, children's author was a great success. Phoebe reported, "It was lots of fun, I really enjoyed the activities which she gave us. "

Thank you to Janet, Kelly and Richard for giving the new benches another coat of varnish this morning!

**Next week .....**

Sarah Dodd from NISCU is leading our worship on Tuesday. Also on Tuesday, we are having the first of several gardening sessions led by Emma Collins from Myerscough College, which is very exciting.

On Wednesday several children are going along to the Village Hall to present the posters which they have designed to promote keeping dogs on leads and responsible disposal of dog waste.

Also on Tuesday, we are having the first of several gardening sessions led by Myerscough College, which is very exciting.

Please find attached details of today's Celebration Assembly.

I hope you all have a lovely weekend,

Kind regards,

Mrs A
