'Serve one another in love.'

Friday 18th June 2021

Dear Parents and Carers,

In all our worship this week, we have enjoyed coming together and sharing each other's talents. It has been very touching to see how positive and supportive the children are of each other. We have considered our talents and how we can use them to help others before posting them in our Talent Tub!

On Monday, we had a 'Fab Science' presentation via Zoom, which was excellent. On Wednesday, Gemma from 'Little Zoo to You' brought a whole host of creatures to delight the children. They met 'Bruce' the African pygmy hedgehog, a tree frog and a hissing cockroach, as well as learning all sorts of amazing animal facts. *Daniel* thought the presentation was 'brilliant! He said, 'I learned that scorpions can camouflage themselves to look like flowers.' *Finley* said, 'Who knew that a frog pushes its food into its stomach with its eyes?!'

Next week, on Thursday, we have the School Photographer.

Have a lovely weekend everyone - Happy Father's Day to all our Dads, Grandads and Carers!

Kind regards,

Mrs. Alexander
