Lancashire Education Awards

3rd December 2021

Dear Parents and Carers,

We are delighted to report that we have been successful in our application for a

Lancashire Education Award!

The award has been given to us for our outstanding outdoor learning provision! We are tremendously proud to be recognised at county level for all the opportunities we offer to our children through outdoor learning and delighted to be able to celebrate and showcase the commitment to our work in this area, with a wider audience.

Congratulations go to all the staff and children!

The Secrets Room is coming, the Secrets Room is coming.....

🎄 THE SECRETS ROOM IS ON FRIDAY 10TH DECEMBER 🎄

We are busy preparing some lovely gifts for the Secrets Room. We are keen that the children get value for money, so we are not looking to raise money on this event, we simply want them to have a fun time choosing gifts for their family and friends and to experience buying items independently but be reassured we are there on hand to advise! Only a few of the items are, 'new to you', the majority of items have been bought and put together to make lovely Christmas gifts.

University of Cumbria Students

Miss Yallanki and Miss Cutler have been with us over the last fortnight for their very first introduction to teaching! We look forward to welcoming them back next summer when they will be returning for a second, longer placement at Winmarleigh.
