13th October 2020

Dear Parents and Carers,

Our School Website - We have updated the school website with some recent photographs, which we thought you would like to see.

Through 'School Life' you can find links to photos of our Outdoor Learning and Take a Walk Around School (as you cannot come into school at the moment, we thought that you would like to see some of our lovely displays).

Through 'Our Curriculum' you can find a link to Forest School.

Thank you to all those parents and friends, that share and chat on social media about the great things that go on at Winmarleigh.

Wednesday Walk - we will be walking if the weather is good. Please send the children with hats and coats. The forecast is dry but a little colder.

Thursday Games - this Thursday Years 4 and 5 will be going to the village field, please send the children in PE kit and trainers.

Reporting to Parents - your child's half term report will be sent home next Friday, so please look out for it. The normal autumn Parents' Evening is to be replaced by telephone conversations. These will take place during the first week after half term. Jane will be in touch next week with further details.

SeeSaw - SeeSaw is a really valuable means of communication and way of sharing the children's work and achievements. PLEASE contact school if you have any problems accessing it.

Kind regards,
Mrs. Alexander
