Dear Parents and Carers,

Children in Need

Thank you very much for all your donations towards our Children in Need Day today.

Clad in their T- shirts in the style of Jackson Pollock, which they painted last week, the children have enjoyed a fantastic drumming workshop, courtesy of Steve Hignett from 'Rhythmweave' and a brilliant Zumba session with Jessica today. *Smiles all round – it was a really great day and we raised £31 for Children in Need!*

The Earthshot Prize

Following the Earthshot Prize awards last month, we talked to the children about what we could do to help protect our planet from global warming. Mrs Shaw encouraged Class Two to write to individuals and companies to ask them about such things as, the disposal of waste and recycling and also to share their ideas on what they are doing to help protect our planet. I am delighted to report that last week Class Two received a reply from **Downing Street** and today they received a reply from **Kensington Palace!** Knowing that their thoughts and efforts are being acknowledged by such significant bodies is so valuable and meaningful to them.

Kind regards,

Mrs Alexander
