Jeans for Genes Day - we raised £35! Thank you everyone!

From the School Council

Dear Parents and Carers,

Please find enclosed copies of The Curriculum Newsletters for Classes One and Two.

Peripatetic Keyboard Lessons

Small group or individual Keyboard lessons are available to *Key Stage Two* pupils each Monday afternoon. The sessions may run during and after school, depending how many children are interested. The session price will vary, again according to the amount of interest, but a thirty-minute session in a group of four would be around £7.50. Keyboards are provided! If your child is interested, or you would like further information, please contact Jane as soon as possible.

Winmarleigh Hall PGL

Winmarleigh Hall PGL has very kindly offered us another day of fun and outdoor adventure on Thursday 7th October! This is an incredibly generous offer which we were delighted to accept; it will again be a whole school event. Further details to follow.

Set out below is an outline of ongoing events which take place throughout the school week.

Kind regards,
Mrs Alexander
