Lesson	Concepts	Learning Objective	Lesson Outcome	Success Criteria	Vocabulary and sentence structures
Lesson 1	Value	LO: Recognise own and others' value.	Children will write down or draw on a gold coin what they are most proud of. Read out the achievements to the class and guess who this belongs to. Give each child an additional coin to draw/write about what they are most proud of. Use three adjectives to describe how they felt when they achieved this. Turn these into medals for the children to wear.	I can recognise my own value. I can say what I value about someone else. I can set a personal goal for the year.	Value, success, achievements, proud, feelings. Sentence stems: I felt... when I achieved... I want to achieve... I am proud of... because they achieved...
Lesson 2	Worth, trust, safe	LO: Create a support network.	Children will have a large piece of paper and draw their nightmare school. What qualities are needed? Write adjectives to describe. Discuss who we could talk to if we were feeling overwhelmed in school.	I can identify characteristics of a negative school environment. I can identify who I can talk to when I am feeling overwhelmed.	Support, network, nightmare, school, community. My nightmare school would be... because.. I can ask .. for support. I feel comfortable talking to...because... At school I can talk to... At home I can talk to..
Lesson 3	Rules, boundaries	LO: Understand why rules are needed.	Children will work in the same groups and now design their dream school. What qualities does this have? Use adjectives to describe. What do we need to do to make school a positive place?	I can say why rules are needed. I can identify positive learning behaviours.	Behaviours, positive, dream, design, place, school, community, rules. Sentence stems: Rules are important because... Rules are there to... My dream school would be... I would like school to be... because...
Lesson 4	Consequences	LO: Understand my actions affect others.	Play the treasure game. One child is in the middle surrounded by noisy objects. One child is nominated to steal the treasure whilst the middle child is blindfolded. Ask the children to think about the consequences of these actions. In six groups decide three rewards and three consequences. Collate these and make the class charter.	I can generate appropriate rewards and consequences. I can think of an example when my behaviour has had a consequence.	Consequence, reward, behaviour, appropriate, teamwork, actions. Sentence stems: My actions affect others because... I want my actions to be... A time when my actions have had a reward is... A time when my actions have had a consequence is...

Lesson 5	Choices	LO: Make responsible choices.	Children work as a team to make Lego houses to take part in a competition. Children will build the houses and will understand the importance of making responsible choices. Children will have different needs to accommodate (one blindfolded, one can't talk, one cannot touch the materials, etc.).	I can take on a role in a team. I can make responsible choices. I understand my choices impact others.	Choices, teamwork, role, other, impact, positive, negative. Sentence stems: I worked well in a team because... I could have done better because... I liked how... made good choices because... I was a responsible learner because... I thought that... worked well because...
Lesson 6	Value	LO: Understand how my actions might affect others and try to see things from another perspective.	Show children a range of scenarios and how they might be seen from different perspectives. Create a mission statement to add to the learning charter to show motivations (use optical illusions as a warm-up).	I can try and see things from other perspectives. I can interpret a situation.	Perspectives, situation, viewpoint, choices, actions. Sentence stems: I respect... but I think that... I appreciate your thoughts but... I like how you... but I think... If you look at it like... you might think differently.
Lesson 7	Value	Philosophy for children session: LO: See things from others' perspectives.	Children will discuss the following question: What would it be like to have no rules? Encourage children to see situations from a range of perspectives and how different people could feel. Give scenario cards from different people and discuss these. Children to conclude their thoughts at the end of the enquiry.	I can take part in a discussion following the class charter rules. I can critically build on others' ideas with support. I can try to see things from others' perspectives.	Rules, viewpoints, needs, perspectives, agree, disagree. Sentence stems: I respect... but I think that... I appreciate your thoughts but... I like how you... but I think... If you look at it like... you might think differently. Great idea... but do you think...? Have you ever thought about it this way...?

School Council Elections will take place in week 2 of the autumn term from Y2-Y6
