Skills

Expected Standard

- Identify the goals of others in the wider community and apply these to personal targets.
- Compare my own wants and needs with those in different communities.
- Identify which of my human needs have been met against Maslow's Hierarchy of needs.
- Compare the lives of two individuals outside my community using Maslow's Hierarchy of needs.
- Identify how to function best as a whole class.

Greater Depth

A child working at greater depth should be able to use Maslow's Hierarchy of needs to identify which needs have and have not been met. They will be able to explain why these needs have not yet been met and suggest steps that can be put in place to meet these in the future. Children will be able to compare the lives of two individuals and make explicit links to the hierarchy of needs. They will also be able to make specific links to how the hierarchy impacts their own class and how

British Values

Children will develop a sense of morality and be taught the basic concepts of the British Values. Children will focus on democracy. Children will look at how all groups should have the freedom to choose how they are treated rather than individuals having all of the control. Children will compare the lives of individuals in different communities and evaluate how their needs are being met
