

# Wistaston Weekly

Week 31

Friday 17<sup>th</sup> May 2024

Well done to our Year 6 children for completing their SATS tests this week! I am incredibly proud of their conduct throughout the week showing great positivity, resilience and determination. Their hard work, 'can do' attitude, and support for each other were truly inspiring to witness.

Next week we will be opening the nursery for all parents of Wistaston to view our latest addition. If you don't have a nursery child but would like to see the building, please come along straight after drop off on Tuesday morning. We also look forward to welcoming you to our first Maths morning, which will focus on KS1 and Rec (see dates below for KS2) Additionally, our end of year celebratory assemblies will start next week, beginning with Year 1 on Tuesday. Please check the dates to make sure you don't miss your child's event and Year 6 parents, watch out for a letter next week with all the end of year dates they will need.

Kind regards

Mrs Elsley  
Principal

## Year 1 Parent Assembly

On Tuesday 21<sup>st</sup> May, Year 1 will be holding a half an hour assembly for parents summing up their time in Year 1. ## Cheshire East Household Support Fund (HSF)

An extension to the Household Support Fund (HSF) was announced by the UK government in the Budget on 6 March 2024. This fund will cover the period from April 2024 to September 2024. On 29 April 2024 the Children and Families Committee agreed a new package of HSF support in Cheshire East.

The Household Support Fund is to provide crisis support to financially vulnerable households most in need.

The fund has been made available to support immediate needs and help those who are struggling to afford household basics including food, energy and wider essentials.

In addition, the fund is available to provide support to financially vulnerable households most in need that has a long-term sustainable impact.

A range of support is available to help financially vulnerable adults, children and their families living in Cheshire East.

- Food and Energy support
- Financial support for wider essentials
- Financial support for exceptional costs

In addition to this, the Household Support Fund will also work with select local third sector organisations to provide financial support to enhance their offer.

A trusted professional will need to make a referral for families, for example, an education/school professional, support worker, family support worker, Citizen Advice, health professional, registered housing provider, domestic abuse services.

If you feel your family may be eligible for HSF, please speak to a trusted professional who works with you, or who knows your current situation and the financial support you may need. They will be able to discuss whether support from the Household Support Fund is appropriate.

## Personal Possessions

Please ensure that pupils do not bring unnecessary personal items (e.g. stationery, toys, jewellery) into school as these may get lost or broken and can also cause disagreements. Thank you for your kind cooperation.

### **Transition to Secondary School**

Please see below some advice from CEIAS.

Cheshire East Information, Advice and Support Service  
(CEIAS)

## Quick Guide to .... Transition into Secondary School

The transition to secondary school is a huge step for all children. It is an especially big step for children who have any kind of special needs. Teachers in secondary school can best meet your child's needs if they are fully informed about any special needs and areas of difficulty.

- Speak with the schools Special, educational needs coordinator (SENCO) to discuss your child's needs prior to starting school so they can make subject teachers aware.
- Ask for a simple map of the layout of the school or setting to help to familiarise the environment.
- Make copies of the timetable, use colour coding for each subject, laminate and stick-on bedroom wall or fridge.
- Arrange a specific space or storage area for books and homework.
- Find out who to contact if you have concerns e.g., SENCO, Head of Year, family liaison contact.
- Ask what strategies are in place and arrangements for the individual needs of children who attend the school for example, transition during busy times of the day
- Find out what provision is available at lunchtimes if children find this unstructured time challenging.
- Ask what strategies are available for children that struggle to record information.
- Make daily checklists for uniform, PE kit and books.
- Ensure your child knows where and who to go to if they are having difficulties.
