

Week 19

Wistaston Weekly

Friday 30th January 2026

We have now completed two weeks of our new parking and access restrictions, and we would really value your initial feedback on how these changes have impacted your journey to and from school. If you could please share your thoughts by completing the form below, it would be greatly appreciated. We will collate your responses and feedback the findings in the newsletter before half term.

[Parent feedback form - Restricted access arrangements – Fill in form](#)

I would also like to say a huge thank you to the Friends of our School for their continued support and generosity. Thanks to their fantastic fundraising efforts, we have been able to purchase some exciting new playground games and resources for our children in both KS1 and KS2. The Friends joined us in celebration assembly this morning to share the wonderful news with the children, who were absolutely delighted and full of enthusiasm. We are very much looking forward to seeing the children enjoy these new resources and having lots of fun together at playtimes—thank you, Friends, for making such a positive difference to our school community. Don't forget the next Friends tuck shop is taking place on Friday 6th Feb - Hope to see you there.

Kind regards

Mrs Elsley

Principal

Active Travel Competition 2026

Bikeability instructors are inviting children who have taken part in Bikeability (Level 1& 2) in South Cheshire to take part in an ACTIVE TRAVEL poster competition. The aim of the competition is to encourage youngsters to be more active and be safer on the roads especially when riding their bikes.

The competition winner and runner-up will receive a certificate and a bag of goodies as prizes.

All entries will be collected from school before the Easter school holidays by the competition organisers, who alongside a local member of the emergency services, will judge the competition.

If your child would like to get involved they are invited to create an A4 size POSTER that ENCOURAGES ACTIVE TRAVEL (cycling, walking, scootering and wheeling or using public transport) using paint, crayon felt pen or pencil.

Posters should be 'eye-catching' and highlighting the benefits and the various ways to take part in Active Travel in a clear and creative way. The pupil's name and school should be written on the back of the poster.

Examples of Active Travel:

- Using a safe walking route like a footpath
- Cycling, scooting or skateboarding safely to school
- Riding with a parent if you're still learning road safety skills
- Walking with a family member or in a supervised buddy group
- Park and walk by getting dropped off a short distance away and walking the rest
- Using public transport, such as a bus, which is more eco-friendly than travelling by car

Benefits of Active Travel:

- Improve health
- Better air quality

- Economic benefits
- Reduces carbon emissions
- Improves community safety

Please bring completed entries to the school office by **Friday 20th March**.

[ADHD and Autism Support Resources for Children and Young People in Cheshire East](#)

In the summer of 2025, NHS Cheshire and Merseyside Integrated Care Board in Cheshire East Place launched a new web-based resource to support children and young people up to age 25 with suspected ADHD or autism, along with their families. Developed in collaboration with Contact, Genuine Partnerships, and the Cheshire East Parent Carer Forum, these resources were co-produced with parents, practitioners, and neurodivergent young people, led by a neurodivergent graphic designer and a local parent carer project manager.

Visit www.cheshireandmerseyside.nhs.uk/pathway to explore the platform.

The poster is for NHS Cheshire and Merseyside. It features a light blue background. At the top left, there is a blue circular icon with a white location pin and the text 'Available in Cheshire East'. At the top right is the NHS logo and the text 'Cheshire and Merseyside'. The main headline in large, bold, dark blue font reads: 'Support is available for families of children and young people who may be neurodivergent.' Below this, in a smaller font, it says: 'Access resources, strategies and advice for each area of your child or young person's needs that have been designed to support development and wellbeing at every stage.' The bottom half of the poster shows a photograph of a woman with dark hair and a young child with curly hair, both smiling. Overlaid on the bottom right of the photo is a blue speech bubble with white text: 'Visit the NHS Cheshire and Merseyside website to access support today.' At the very bottom, a dark blue banner contains the website address 'www.cheshireandmerseyside.nhs.uk/pathway' in white.

[Year of Reading - Reading Challenge](#)

At Wistaston Church Lane we know how important reading is to the quality of life now and in the future. The government have announced a National Year of Reading in 2026. Don't forget that to get involved and **'GO ALL IN'** we are challenging the children as a class to read 2026 times and both in school and at home reading counts. The children's reading records

will be checked each week and the total will be recorded. The first in each class will receive a prize. **ARE YOU UP FOR THE CHALLENGE!!!**

[Cheshire East Childcare Sufficiency Assessment](#)

Are you a parent who uses, or wants to use, early years childcare? Or do you have a school-aged child who uses, or may use, a before-school or after-school club or holiday club? Cheshire East wants to hear your thoughts on early years childcare and wraparound childcare for any of your children aged 0-14 years old, or up to 25 years old if they have a special educational need or disability (SEND).

To tell Cheshire East about your childcare needs the Council would be extremely grateful if you could complete this survey before Friday 20th February 2026.

<https://www.smartsurvey.co.uk/s/CheshireEast-CSA2026-Parents/>

If you have any questions about the local authorities' responsibility to provide sufficient childcare, or the purpose of this survey, you can contact:

earlyyearsandchildcareteam@cheshireeast.gov.uk

As always, thank you for your valuable feedback!

[Bikeability](#)

If your child is in Year 4 and you would like them to take part in Bikeability, please complete the consent form **in full** (either the electronic form emailed to parents or a paper copy) and return it to school ASAP. **Please note that consent for this activity cannot be given on Arbor.** Further details are included in the consent form.
