

# Week 20

Wistaston Weekly

Friday 7th February

Next Tuesday, 11th February, we will be celebrating **Safer Internet Day**, the UK's biggest event dedicated to online safety. This year's theme, *"Too good to be true? Protecting yourself and others from scams online"*, will help children understand how to stay safe from online scams and support others in doing the same.

Throughout the day, we'll be engaging in activities and discussions to equip pupils with the knowledge and confidence to navigate the digital world safely. We encourage parents to get involved too—there are fantastic resources available at [saferinternet.org.uk](https://saferinternet.org.uk) to help you support your child's online safety at home. Please also see below details of a webinar available to parents:

The image is a screenshot of a webinar registration page. At the top, it says 'TUESDAY 11TH FEBRUARY, 7 - 8PM' and 'eduthing.co.uk'. The main heading is 'SCREEN SAFE' in large white letters on a dark blue background, followed by 'In conversation with...'. Below this is the 'eduthing' logo and the text 'IT Services for Education'. A paragraph of text describes the webinar: 'We are excited to be celebrating the upcoming Safer Internet Day by hosting a virtual parent &amp; carer support session with Anna Sarjantson, Liam Buggs, Tim Barette and James Fraser. Join us in conversation as we explore the best ways to support our children and young people navigating the online world covering topics such as:'. A list of topics follows: 'Top Tips for Parents &amp; Carers', 'Resources to facilitate discussion with children and young people on online safety', 'Particular Apps or Features to be aware of!', and 'Interactive Q&amp;A Session'. There are two sections: 'ABOUT SCREENSAFE' and 'ABOUT EDUTHING'. The 'ABOUT SCREENSAFE' section features a circular profile picture of a woman and text: 'I started Screen-Safe to help more parents, carers, teachers and anyone working with children, have access to support, the information they need now and the tools they need for the future when it comes to keeping our children and young people safer online. As a parent myself, I know just how challenging and sometimes, overwhelming it can be to navigate the digital world our children are growing up in. The online world can provide incredible opportunities but also some serious risks, especially where children are concerned. We want them to be able to recognise the risks, be able to call out fake profiles or misinformation and have the confidence to say NO and get away from anything or anyone online that doesn't feel right or safe to them.' The 'ABOUT EDUTHING' section features three circular profile pictures of men and text: 'eduthing are a leading technology provider to schools across the UK. As well as providing technical support to ensure teaching and learning runs smoothly, eduthing work with teachers, parents, carers and students with Computing, EdTech and Online Safety support and workshops. We are passionate about ensuring the safety of children and young people when they experience the online world and immerse themselves in a safe and measured way.' At the bottom, there is a 'SESSION REGISTRATION' section with a blue arrow icon and text: 'Click here to register for the upcoming session: https://us06web.zoom.us/j/7V8Kc3R2e0tWb1pHyBQ Please note that this is a live session.' On the right side of the page, there is an illustration of a woman and a man standing in front of a large screen.

Let's work together to create a safer internet for everyone!

Kind regards

Mrs Elsley

Principal

## What's New!

### Year 5 Bikeability Level 2

On Monday 10th and Tuesday 11th February, any Year 5 children taking part in the Bikeability sessions should bring their bikes and helmets to the KS2 Car Park each day. Bikes should not be leant against each other as the children will need to be able to retrieve their own bike without touching another. Bikes should be collected at the end of school each day as we cannot guarantee that they can be stored securely overnight. Pupils should wear their normal uniform and will need to wear suitable bright weather appropriate outer clothing (i.e. a warm waterproof coat, layers and gloves are essential). Thank you

### World Book Day

This World Book Day we are inviting the children to come dressed as a character from an adventure book. We would also like to share our love of reading with you all and invite all EYFS/KS1 Parents to come into school to share a favourite book with their child from 2:45pm on Thursday 6th March and KS2 parents on Friday 7th March from 8:45am. Further information about World Book Day will be sent out soon.

### School Office Closure

Please be aware that the school office will be closed on Tuesdays from 1pm until 3pm for the next few weeks. Apologies for any inconvenience caused.

### Year 1 Chester Zoo

Children in Year 1 are due to visit Chester Zoo on Thursday 13th February. Please see below details for the trip:

- Children should bring a warm coat, gloves, etc
- Children need to be in school as normal. We depart at 9am.
- The children will be back in school by **4-4.30pm**.

Please note that failure to provide a valid membership card will incur additional charges.

### [Printer Cartridge Recycling](#)

As part of our waste reduction initiatives, we are pleased to now offer recycling boxes for branded ink and toner cartridges in conjunction with [www.emptiesplease.com](http://www.emptiesplease.com). Alongside raising school funds, Empties Please also run an 'Eco Project' designed to get pupils outside and learning about their local environment and wildlife. For every £1 we raise, they give school an additional 'Green Point' which can be redeemed for 'Green Goodies' for school (e.g. bulbs, trees, butterfly houses, bird houses, hedgehog houses, bug boxes, toad hides, vegetable/herb seed packs, garden equipment, gardening tools, bird tables and feeders, bat boxes and more).

Please watch out for further initiatives soon.
