Church Lane's Got Talent – The Final is Coming!

Next week is the exciting final of *Church Lane's Got Talent*! Each class has chosen an act to represent them, and the grand final will take place during **Tuesday's morning assembly**. This year, we will be celebrating two winners—one from Key Stage 2 and one from EYFS/Key Stage 1. All children had the chance to vote for their class act, and teachers were also invited to nominate a 'wild card' if they felt another pupil deserved a spot in the final. These wild card acts will perform during **Monday's morning assembly**, and the top act will go through to Tuesday's grand final. We can't wait to enjoy all the amazing talent Church Lane has to offer!

WCLA – Did You Know? – Summer Challenge

This summer, we've got a fun challenge for you! Can you discover some amazing facts about our school's history? Your mission is to find out as many interesting facts as you can and choose one to present in a creative way. The top facts will be displayed in the Brisbane classroom window to celebrate our school's brilliant past! Think carefully about how to make your fact stand out—what font will you use? What size and colour will your text be? Will you include a picture? Make it bold, bright, and easy to read!

Bring your fact back to school in September—we can't wait to see your ideas and learn even more about our school's history. Maybe someone in your family or a family friend came to Church Lane too and can tell you how the school has changed—or what has stayed the same. Let's find out together!

A big thank you to Henry in Year 5 for coming up with this fantastic idea!

Deputy Junior Active Travel Champion of Crewe 2025

Huge congratulations to Phoebe in Year 4 who won 2nd prize in Bikeability's Active Travel Poster Competition. She has been awarded the title of Deputy Junior Active Travel Champion of Crewe 2025 and received a certificate and goody bag.

As we come to the end of the academic year, please ensure that all payment accounts are up-to-date.

If you have children in years 3, 4, 5 & 6, and would like them to have snack each half term, you will need to confirm consent and make payment via the *Trips* section on Arbor. Snack is charged at £5.10 per child for each half term. KS2 Snack for next half term will show as *KS2 Snack Autumn 1 2025*. Please note that this will not go live on Arbor until September due to the new academic year.

Lunches are charged at £2.58 per day for both Cygnets and KS2 children, payable in advance under *Meals* on Arbor. Reception, year 1 & 2 meals are free of charge as these are fully funded.

When topping up meal accounts, please be mindful that we are unable to refund any balances remaining at the end of the school year. All meal payments should be made in advance.

Message from Cheshire Fire & Rescue Service Water Safety Team

With warmer weather on the way, it's important to remind children of the dangers of swimming or playing in and around water. Statistics show that drownings are three times more likely on hot days, as more people look to cool off.

Whether you're staying at home or going on holiday this summer, make sure you are being safe in and around the water.

What to do if you see someone in trouble

Shout – "Are you in trouble? Can you swim towards me, or stand up?"

Reach – find a long object that you can let go of, to try and reach the person. Lie down or crouch so you aren't pulled in too.

Throw – throw something to help keep them afloat - throwlines (floating lines), footballs, and life rings are great options.

Don't go – Never go into the water yourself; keep eyes on them and call 999 immediately.

If you're in trouble, Float to Live - lie on your back, keeping your mouth above the surface, and try to gently move to safety. Stay calm.

Have a very happy, and safe, summer!

Cheshire East Active Travel Consultation

Cheshire East Council is asking residents across the borough for their views on how it can encourage more active and healthier travel choices.

The council's vision is for a borough where walking, cycling and wheeling (non-motorised) are the preferred choices for short journeys. This can be achieved through a connected, safe and accessible network of routes that supports a healthier Cheshire East.

The council has also prepared Local Cycling and Walking Infrastructure Plans (LCWIPs) for Alsager, Handforth, Knutsford, Middlewich, Nantwich, Poynton and Sandbach. Residents and user groups are invited to say how these could be improved. Established plans already exist for Congleton, Crewe, Macclesfield and Wilmslow.

Councillor Mark Goldsmith, chair of Cheshire East Council's highways and transport committee, said: "It is very important that this council creates a transport network that

offers residents a real choice to make safe, active journeys. It will help improve their own health plus the environmental health of the towns where they live.

“These plans will also help provide residents with better access to their jobs, educational places and leisure destinations. They are part of our commitment to make the borough healthier, happier and greener.”

The consultation provides a link to a brochure with options for priority walking/wheeling facilities and priority cycling routes for each of the seven towns.

Considerations for each of the plans include new and upgraded crossings, widened paths, removal of cycling barriers (e.g. gates and stiles) and the maintenance of the existing active travel network.

The council is asking for public feedback on their preferred routes and whether any adjustments could be considered. Input from a wide range of interest groups is needed including schools, colleges and their students; businesses and commuters; town and parish councils; the health sector; people with disabilities and any active travel user groups. We now invite you to feed into this consultation.

After the consultation closes on 31 August, the council’s transport team will look for opportunities to create a more connected network that can be a focus for investment in years to come.

The consultation can be accessed at: [Cheshire East’s Active Travel Consultation](#)

Year 6 pupils - Information on Bus Travel via Arriva's Direct Debit Scheme

Now that the time is now fast approaching for all year 6 pupils to move up to secondary school, Arriva UK Bus understands that for some pupils this will mean taking a bus to school for the first time. Arriva would like to take this opportunity to inform parents and carers of year 6 pupils about the options that are available to support them getting their child to their new school safely.

Arriva's Child Saver tickets will not only provide their child with reduced priced bus travel costs to-and-from school, but they can also use their saver ticket for traveling during evenings, weekends and throughout all school term holidays. Furthermore, you can spread the cost of the annual saver ticket over affordable monthly payments using their direct debit system. It's simple to apply, and there's no setup fee or minimum contract required, which means you can cancel the direct debit and stop their ticket at any time should circumstances change, which makes it the ideal way to get reduced price with no commitments.
