

Week 7

Wistaston Weekly

Friday 16th October 2026

Dear parents and carers,

A huge thank you to all of our families who attended our EYFS and KS1 Parents' Evenings this week. These meetings provide a valuable opportunity for us to work together in supporting your child's learning, development and wellbeing. We greatly appreciate your continued engagement and the positive conversations that took place. It was wonderful to celebrate the children's achievements and discuss their next steps for learning. I would like to extend my thanks to families who came over, introduced themselves and talked to me throughout the evenings.

Building on the wonderful support we already receive from our families, we would love to welcome more parents and carers to join our PTA Friends Fundraising Group.

The Friends of WCLA play a vital role in raising additional funds that directly benefit our children, helping to provide enriching experiences, resources and opportunities that enhance school life. We understand that family and work commitments can make it difficult to attend every event, but even helping with just one or two activities throughout the year can make a real difference and would be greatly appreciated.

There are lots of ways to get involved. If attending events is not always possible, support behind the scenes with planning, organising, preparing resources, wrapping gifts, sourcing raffle prizes or helping with event preparation is equally valuable and greatly appreciated. Every contribution, no matter how small, helps to make a difference for our children.

The more people involved, the more we can achieve for our school community. If you would like to find out more about what it is like to be part of our PTA Friends Fundraising Group, please contact the school office. We would be delighted to tell you more and welcome you to the team.

Thank you to all of you who have supported us to raise much needed funds for our school through Raffle Stack. There is more detail further down this week's newsletter but please do

consider scanning the QR code in order to purchase raffle tickets. We really do appreciate your support!

I hope everyone has a great last week of the first half term.

Warm wishes,

Mrs Lees

Headteacher

This week: What Parents Need to Know About Ipad

Packed Lunches & Snacks

If you are sending your child with a packed lunch or healthy snack please be aware of the following:

- We are a **nut-free school**. This means that no products that contain nuts (e.g. peanut butter) should be sent into school. This is vital to ensure the safety of anyone with a nut allergy on site.
- To help prevent choking, we ask that small fruits such as grapes and sausages are always cut lengthwise into quarters to prevent choking hazards, as their round shape can block airways.

Thank you for your kind cooperation.

Car Parking

It has been brought to our attention that some parents have been using the Brittle Car Park at drop off and pick up times. We would like to remind parents/carers that this is a private car park and should not be used unless visiting the Brittles itself.

We kindly ask that parents/cares show consideration to both local residents and businesses when parking in the surrounding area for school and ensure that all vehicles are parked legally and safely.

Thank you for your help in keeping everyone safe.

The Friends of WCLA AGM

This year's AGM will take place in school on Monday 19 October at 2.15pm. Please see below the available positions that the Friends are hoping to fill:

Chair

Vice Chair

Any support you can offer the Friends would be much appreciated as they are a significant part of our school community. All are welcome to attend the AGM.

Parents Evenings

Parents evenings will take place on the following dates:

KS2 – Wednesday 21st & Thursday 22nd October

Appointments are now live under *Guardian Consultations* on Arbor. Ten minute slots will be available between 15:40 and 18:00 on each day. We kindly ask that you tick the relevant boxes to indicate who will be attending. Bookings will close on Tuesday Tuesday 20th for KS2.

The technical issue that was preventing bookings for Year 5 has now been resolved. Apologies for any inconvenience that was caused.

Parents evening will be held in the KS1 hall. Please use the Swan Stars door to enter and exit. Children's books will be available for you to look through prior to your appointment. To ensure you get the time you have booked please follow the bell system which signals the start and end of each appointment.

School Entry Screening - Reception

Important information from the School Health Team regarding school entry screening for Reception aged children has been sent out to relevant parents by email.

Reception parents should receive a screening questionnaire via text **NEXT WEEK**. If parents do not receive a screening questionnaire by **Wednesday** of next week, please email the School Health Team directly at wchc.southscreeners@nhs.net to inform them.

School is currently awaiting confirmation of the date of screening in school. We will notify parents as soon as the date is confirmed.

EYFS Spooky Disco 🎃

We're excited to let you know that our Nursery and Reception children will be having a Spooky Disco Day on Tuesday 20th October filled with fun Halloween-themed activities, crafts, and dancing! Children are invited to come to school in their Halloween costumes (please no masks or dangerous accessories) and do not need to wear their usual uniform on this day. In the afternoon, we'll head to the KS2 hall for a disco with music, games, and lots of spooky fun! It's a great way for the children to celebrate together and enjoy some seasonal creativity and movement. Pupils should be collected as normal at the end of the school day,

Promoting and Joining Our School

Please help us spread the word to friends, family and neighbours who may have a child starting school in **September 2027**. We would be delighted to welcome prospective families

on one of our school tours, where they can experience first-hand the warm, caring and ambitious environment we are so proud of.

It has been a real pleasure showing new families around our school so far, and we have been overwhelmed by the positive comments we have received about our children, staff and learning environment. Hearing such positive feedback is always lovely and reflects the strong community spirit.

We would also appreciate your support in promoting our incredible Nursery, where we currently have a few places available for this academic year. Our Nursery provides a nurturing, stimulating and engaging start to children's educational journey and is the perfect place for young learners to grow in confidence, curiosity and independence.

Thank you for helping us share what makes our school such a special place. Your recommendations and support are invaluable, and we are always grateful when families encourage others to come and see all that our school has to offer.

October Book Recommendations

Get cosy this October with our selection of seasonal reads for EYFS, KS1 and KS2. From autumn adventures to spooky stories, we hope there's a book here for everyone to enjoy!

	With just a little help from Bird, Squirrel has grown some lovely pumpkins! He is so pleased with himself. But soon there's a problem... the pumpkins keep disappearing, one by one! Squirrel can't understand it. He's determined to catch the thief before Bird returns. The leaf thief is also a great story to share. The illustrations in both stories are brilliant for our youngest readers.		Pete the badger likes everything to be neat and tidy at all times, but what starts as the collecting of one fallen leaf escalates and ends with the complete destruction of the forest! Will Pete realise the error of his ways and set things right? Tidy is another amazing book by Emily Gravett. It is a simple story about how we can impact on our surroundings and why caring for our environment is vital.
	Counting pumpkin seeds is messy business, but once the slimy job is done, to everyone's surprise, the smallest pumpkin has the most seeds! As Charlie happily exclaims, Small things have a lot going on inside of them. Mr. Tiffin and his students explore skip counting and estimation in a fun pumpkin-themed classroom experiment! This book is a fun way to reinforce counting skills at home.		Two greedy squirrels learn to share in the third hilarious rhyming adventure from the bestselling creators of THE LION INSIDE. Greedy squirrels Cyril and Bruce both have their sights on a very special prize: THE VERY LAST NUT OF THE SEASON! As the nut bounces crazily through the forest, the squirrels race after it, right to the edge of a waterfall! Working together might be the only way to save themselves now...
	The first book in an enchanting new series from the author of the bestselling THE BOY WHO GREW DRAGONS, full of unexpected adventure, wonder and wildness, and just a little touch of magic! When Iggy discovers overgrown Wiltshire Wood at the end of his new garden, he couldn't be more excited. A whole new world opens up for him and his brother Cal. High in the treetops, a world of tangled greenery and unexpected adventure.		On a school trip to a lakeside campsite, Izzy and her friends are sure something strange is going on. Lunches keep disappearing, mysterious ripples appear on the water, and rumours of a monster spread fast. Winner of the Laugh Out Loud Book Award.
	Sam Wu is NOT a scaredy-cat (except he is). When a trip to the Space Museum goes terrifyingly wrong, Sam begins a mission to prove to the school bully, and all of his friends, that he is a fearless space adventurer. A laugh-out-loud, voice-led and madcap story of ghost hunting, snakes and mischievous pet cats called Butterbutt.		Winnie and Wilbur love their vegetables. They are regulars at the weekly farmers' market to stock up on their greens, but bringing them back home on a broomstick proves to be rather hazardous. So Winnie decides to grow her own and digs a vegetable patch in her garden. Not having the patience of a true gardener, she uses a little magic to speed up the growing process... only to end up with a garden overrun by enormous vegetables.
	Marinka dreams of a normal life, where her house stays in one place long enough for her to make friends. But her house has chicken legs and moves on without warning. Marinka's grandmother is Baba Yaga, who guides spirits between this world and the next. Marinka longs to change her destiny and sets out to break free from her grandmother's footsteps, but her house has other ideas...		In a whimsical twist on the classic Strange Case of Dr Jekyll and Mr Hyde by R.L. Stevenson, spoiled young Henrik Jekyll has been left his ancestor Dr Jekyll's house, laboratory, and... most importantly... secret, life-altering Hyde Potion recipe. Henrik's curiosity soon leads him down a dark path, unleashing a chaotic alter ego named Eddie.
	Morgan Crow is cursed, destined to die on her eleventh birthday. But, as the clock strikes midnight, she's whisked away by a remarkable man called Jupiter North and taken to the secret city of Nevermoor. There she's invited to join the Wondrous Society. Mystery, magic and protection are hers - if only she can pass four impossible trials, using an exceptional talent. Which she doesn't have...		From the bestselling author of How to Train Your Dragon comes an out-of-this-world new adventure... K2 O'Hero is a seemingly ordinary boy - after all, he and his twin sister Izzabird have been sworn to keep their family's magical history a secret. Not even their infuriating stepiblings, Theo and Mabel, know that magic exists. They believe K2 to be the most hopeless person they have ever known.

After School & Lunchtime Clubs - Autumn 2

After school clubs for next half term are now live under *Clubs* on Arbor. **All after school clubs will run weekly (term-time only) from the week beginning 3rd November to the week ending 13th December.** All after school clubs will end at 4.15pm and children should be collected from the Junior Playground.

If Arbor will not accept registration for a club, this indicates that the club is fully booked. If you would like your child to be added to the waiting list in case of cancellations , please email the school office.

Please be aware that the safety of both pupils and staff is a priority and the expectations of being Ready, Respectful and Safe apply equally to the normal school day and extra-curricular clubs. To ensure the safety of all, if staff consider a pupil's behaviour during a club could negatively impact either themselves or others, their attendance of the club will be reviewed.

After school football clubs run by Crewe Alex are now available to book directly at [Crewe Alexandra In The Community](#).
