Week 9

Wistaston Weekly

Week 9

Friday 6th November 2026

A very warm welcome back to all of our children, families and staff. I hope you had an enjoyable and restful half term break and are feeling refreshed for the weeks ahead. It has been wonderful to see the children return to school with such enthusiasm, positivity and readiness to learn. We are looking forward to another half term filled with exciting learning opportunities, memorable experiences and continued success across the school.

Next week, we will be sending out a new link to our parent survey. Unfortunately, there was an issue with the previous link which prevented some parents and carers from accessing the survey. We greatly value your feedback, as it helps us to celebrate what we are doing well and identify ways in which we can continue to improve our school. Once the new survey link has been shared, I would encourage all parents and carers to take a few moments to complete it.

I would also like to thank everyone who has purchased tickets for our Raffle Stack fundraiser and supported our school. Your generosity and continued support help us to raise valuable funds that directly benefit the children and enhance opportunities across the school. We are extremely grateful for the wonderful support shown by our school community and for the difference it makes. Thank you, as always, for your partnership and support. Together, we can continue to provide the very best experiences for all of our children during the remainder of the term.

Warm wishes

Mrs Lees

Headteacher

The Friends of WCLA will be at Wistaston Firework Display – Saturday 7th November

The Friends of WCLA will be at the Wistaston Firework Display at The Brittles this Saturday, 7th November with their sweet treat stall! 🧨✨

If you're heading down, make sure you pop over and say hello — every penny raised from the stall will go straight back towards supporting our school and its children.

They would love to see lots of familiar faces! 💛

Year 5 Swimming Lessons - Wednesday 11th November

During the week commencing 9th November, pupils attending swimming lessons with Everybody Health & Leisure will be learning about winter water safety. Winter can bring additional hazards around water, including cold water shock, flooding, icy surfaces, and frozen waterways. Through these sessions, children will learn how to recognise risks, stay safe around water, and what to do if they unexpectedly enter the water.

Families are encouraged to discuss water safety at home and remind children that if they fall into cold water, they should remember the **Float to Live** advice: float on your back, keep calm, and control your breathing before calling for help.

More accidental drownings occur during the colder months than many people realise, often as a result of slips, trips and falls into cold water. Understanding the risks and knowing how to respond can save lives.

As well as normal swimming kit, Year 5 pupils should bring a pair of gloves and a hat (woolly hat, beanie, or similar) on Wednesday for a winter water safety activity during their scheduled swimming lesson.

Children Climbing on School Property

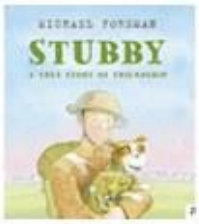

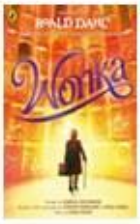

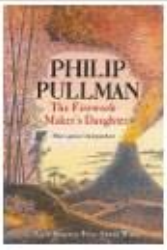

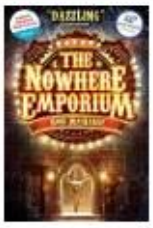

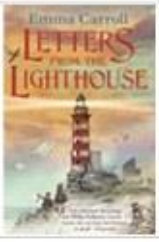

Please can parents and carers ensure that children do not climb on any school property (including the climbing frame) after collection at the end of the day. We have recently had some children climbing on the green sheds, which is extremely unsafe and could result in serious injury. We would be grateful for your support in making sure children remain safe and stay off sheds, fences and other school structures (including play equipment) once they have been collected. We also ask that pupils are not allowed to move other equipment in outdoor areas as this can affect use of the area the following day.

Academy Photography Orders

Proofs of individual and sibling photographs have arrived. Orders should be placed online at www.academyphotos.co.uk by **9am on Monday 16th November.**

Recommended Reading – November

This month's Reading for Pleasure selection features 12 wonderful book recommendations for children to cosy up with during November. From heartwarming seasonal reads to stories about Bonfire Night and Remembrance Day, there's something for everyone to enjoy!

	As the nights draw in, a small and lonely flame watches the many ways that communities celebrate light throughout the year, wishing to be bolder and brighter. As a family gathers around Little Glow, it becomes clear that even the smallest of lights have an important purpose.		Little Firework is struggling to be heard above his noisy friends. Unlike them, he can't BOOM or BANG, whoosh, sizzle or pop! In fact, he can't make any loud noise at all! Little Firework worries he won't ever be good enough. Luckily, a friendly moth is there to teach him that being quiet can be fun too.
	In the dark days of war, a group of soldiers far from home come across an orphaned bear cub. They adopt him and hide him in their tents, feeding him with their rations - until he is too big to ignore!		The brand new Gruffalo picture book from Julia Donaldson and Axel Scheffler has The Gruffalo said to his daughter one day, "Your Gruffalo Granny is coming to stay." Return to the deep dark wood and meet Gruffalo Granny as she visits the Gruffalo family.
	Stubby was a brave soldier, a loyal friend... and a dog. From an army training camp to the trenches in France, this is the incredible true story of Sergeant Stubby, the dog who served bravely in the First World War, sniffing out gas attacks, catching spies and winning the hearts of his fellow soldiers.		Welcome to The Nothing to See Here Hotel! A hotel for magical creatures, where weird is normal for Frankie Banister and his parents who run the hotel. When a goblin messenger arrives at The Nothing to See Here Hotel, announcing the imminent arrival of the goblin prince Grogbah, Frankie and his family rush into action to get ready for their important guest.
	When robot Roz opens her eyes for the first time, she discovers that she is alone on a remote, wild island. She has no idea how she got there or what her purpose is - but she knows she needs to survive. The heartwarming and action-packed illustrated novel exploring what happens when nature and technology collide.		Wonka tells the wondrous story of how the world's greatest inventor, magician and chocolate-maker becomes the beloved Willy Wonka we know today. Wonka introduces readers to a young Willy Wonka, chock-full of ideas and determined to change the world one delectable bite at a time.
	Nik and Norva are mystery-solving sisters who find themselves with a real case to crack when a neighbour is found dead in their London tower block. Full of twists, humour and brilliant characters, this murder mystery is the first in a series that will have older readers reaching for more.		Lila doesn't just want to be a Firework-Maker's daughter, she wants to be a Firework Maker herself. But although she's learned a lot she still must get through the most difficult and dangerous part of her apprenticeship - and her father won't tell her what it is.
	When the mysterious Nowhere Emporium arrives in Glasgow, orphan Daniel Holmes stumbles upon it quite by accident. Before long, the 'shop from nowhere' -- and its owner, Mr Silver -- draw Daniel into a breathtaking world of magic and enchantment.		After months of bombing raids in London, twelve-year-old Olive Bradshaw and her little brother Cliff are evacuated to the Devon coast. The only person with two spare beds is Mr Ephraim, the local lighthouse keeper.

Cheshire East Home to School Travel Consultation

Cheshire East is inviting parents, carers, young people and residents to share their views on proposed updates to home to school travel assistance arrangements, in their new consultation. The consultation is running until 4th December, giving people the opportunity to help shape future policy and ensure that the experiences of local families are reflected in decision making. This forms part of a review of their compulsory School Age Travel Policy, which explains when travel support is available for eligible children and young people travelling between home and school.

The consultation follows a decision by Cheshire East Council's Cabinet on 8th October to approve a refreshed policy and seek public views on a number of proposed changes before any final decisions are made. Have your say before the deadline on 4th December 2026 at [Home to School Travel Policy Consultation 2026]

MP Christmas Card Competition 2026

Please see below for details of a competition open to pupils of the school.

CONNOR NAISMITH MP

HOUSE OF COMMONS
LONDON SW1A 0AA

14th October 2026

Dear Headteacher

Re: Christmas Card Competition 2026

I am delighted to invite pupils from your school to take part in my 2026 Christmas card design competition, "Christmas in Crewe and Nantwich", open to primary school pupils across the constituency. This annual competition is a wonderful opportunity to celebrate the creativity of our young people while sharing the festive spirit of Crewe and Nantwich with residents, community groups, local businesses and contacts further afield.

- Designs must be A5 in size and coloured using pencil, pen or paint (please do not use glitter or stickers).
- Entrants must live in, or attend a primary school within, the Crewe and Nantwich Constituency.
- Each entry should clearly include the child's name, age, home address and school on the back.

Entries can be sent by post to: **Connor Naismith MP, 249 Edleston Road, Crewe, CW2 7EA**.

Alternatively, designs may be scanned and submitted by email to **connor.naismith.mp@parliament.uk**
All entries must be received by Friday 13th November 2026.

All entries will be judged by my office team and me. In previous years, the finished Christmas cards would be printed and sent to local residents and community groups across Crewe and Nantwich. This year, in order to be more environmentally friendly and consume less paper, we will be making the cards digital and displaying the winning design, as well as the designs of four of the runners-up, in our e-newsletter and across our social media channels, alongside the school and the pupils' names.

I will also visit the winning pupil's school to present them with a certificate to celebrate their creativity.

I very much look forward to seeing the fantastic artwork produced by pupils at your school.

Yours Sincerely,

C Naismith

Attendance & Fines for Unauthorised Absence

We are working closely with our Education Welfare Office to improve our attendance and prevent children's attendance from falling below 95%. Children with attendance below 90% are classed as persistent absentees. We are contacting parents by letter if we are worried that a child's attendance is becoming close to 90%. Please be assured that this is just a process and that we are here to support families as much as we can to improve attendance.

If you wish to find out more, you may refer to the following:

- Pupil Attendance and Registration Policy: https://www.wclacademy.co.uk/policies
- Cheshire East School Attendance: www.cheshireeast.gov.uk/schools/school-attendance/attendance-and-children-out-of-education.aspx
- Department for Education:

https://www.gov.uk/school-attendance-absence/overview

If your child is going to be absent due to a medical appointment, please inform the school office (By telephone, email or via the school website) and show confirmation of the appointment (This can be by letter, text, appointment card or email).

If your child is going to be absent due to illness, please inform the school office (By telephone, email or via the school website) each day and give as much detail as possible regarding their symptoms/diagnosis for their attendance records.

If your child is going to be absent for any other reason (e.g. holiday, wedding, non-medical appointment), please complete a Leave of Absence Request Form at your earliest possible opportunity and attach any relevant supporting information that you wish to be taken into consideration. You should be aware that if your child is taken out of school and the reasons are not classed as exceptional, the absence will be recorded as unauthorised. **Any appeal should be made prior to the end of the period of absence before an FPN is issued.**

The law requires all children between the ages of 5 and 16 to be in full time education. Under Section 7 of the Education Act 1996 it is the duty of the parent/carer of a child of compulsory school age to ensure that they attend school regularly.

A new National Framework for Penalty Notices came into force on 19th August 2024. As a result of these changes, absences will be tracked over a rolling 3 year period and penalty notices will be issued for the following:

- Term time leave of 5 or more consecutive days
- 10 sessions of unauthorised leave in a rolling 10 week period

Please note that penalty notices may also be issued before the threshold is met where it appears parents are deliberately avoiding the national threshold by taking several term time holidays of less than 5 days.

Penalty notices will continue to be issued per parent per child as follows:

- First Offence – For term time leave or irregular school attendance; Charged at £160 per parent, per child if paid within 28 days, reducing to £80 per parent, per child if paid within 21 days.

- Second Offence – Where a second notice is issued within 3 years of the first penalty notice for either term time leave or irregular attendance, this will be charged at £160 if paid within 28 days.

- Third Offence – If a third offence occurs within 3 years of the first penalty notice, a penalty notice will not be issued but the case may proceed to Parental Prosecution under the Single Justice Procedure. If found guilty of the offence of 'Failure to send a child to school', the Magistrate can impose a fine up to £1000 or legal proceedings under Section 444 (1a) can include a fine of up to £2500.

Please be aware that these changes are national changes and all penalty notices will be issued by Cheshire East Council. The school does not benefit financially in any way from any fines issued.
