

OuRRSay Squad - You Asked / We Did

Celebrating what pupils have achieved so far this year...

You Asked...	We Did...
For a staff pantomime of your choice	Classes voted and results were passed to the staff team for planning.
For more playground equipment	FRIENDS donated money; new equipment is being ordered. Additional lists gathered from pupils including hoops, skipping ropes, craft areas, sports equipment etc.
For scooters and bikes to be stored safely	Plans discussed for a new scooter rack and potential KS2 bike storage in the gated area.
For new ideas for Summer Term clubs	A full list was collected (e.g., Pokémon, crafts, tennis, chess, drama/dance, basketball); teachers will poll classes and plan clubs based on your choices.
To make Celebration Assembly quicker and more organised	Suggestions like sharing achievements through the week and moving TTRS certificates to Mondays are being reviewed for implementation.
To improve kindness around school	School celebrated a whole school Kindness fortnight.
For return of popular school meals	Chicken Curry and All Day Breakfast have been added back to the menu.
For more opportunities to raise concerns	Classes now have "I wish my teacher knew..." boxes to share worries privately with staff.
For KS2 pupils to have buddies	Year 5 Playground Leaders have been trained to support younger pupils and KS2.
For a girls' football club	A girls' football club has started with Coach Barks, and Girls' Football Day continues.
For improvements to the playground environment	Requests like extra bins and enhancements to quiet areas/fields have been shared with leadership for action.
To understand British Values better	Assemblies now include recap slides, and the KS2 hall display is being updated.
To know more about the Convention on the Rights of the Child	Rights will be displayed in every classroom; Duty Bearer posters will be created by all staff and visible on all classroom doors.
