

KS3 progress benchmarks indicate whether a student is working at the expected level. This is linked directly and reflects the learning linked to the respect and excellence curriculum that has been delivered in a subject.

Below	On Track			Above
Beginning	Developing	Securing	Advancing	Exceeding
Student working below the expected level for a subject	Student is working towards the level expected (may lack consistency) but shows a sound understanding	Student is working at the expected level and demonstrates a good understanding	Student is working at a higher level demonstrating a strong understanding	Student is working at a level above the expectation and demonstrates excellent knowledge and understanding
