

WOODHEY HIGH SCHOOL

PLEDGE

THE PLEDGE

Woodhey High School Pledge is a document empowering you to take part and track in a variety of wonderful challenges and a plethora of exciting experiences that are sure to enrich your time with us here at Woodhey.

It should encourage you to take part in a range of challenges or experiences in line with our values of Respect and Excellence

WELCOME WOODHEY PLEDGE

We pledge our commitment to offer a wide range of additional learning and social activities designed to engage, challenge and build pupils' confidence.

All students will need to decide which activities to try and then evidence which ones they have completed. Recording their journey in their progress portfolio.

Finally, get involved in the fantastic enrichment opportunities available. Keep a log of your experiences on your Personal Development journey.
