

15th September 2022

Dear Parent/Carer,

From next week all Year 7 students will be undertaking a series of online tests. These tests are nothing to worry about, lots of schools carry out these tests at the beginning of Year 7.

These tests will provide your child's teachers with information about their current abilities. They will help teachers to track progress in reading and spelling and will assess:

- Verbal Reasoning – Thinking and problem solving with words.
- Non-Verbal Reasoning – Thinking and problem solving with shapes and space.
- Quantitative Reasoning – Thinking and problem solving with numbers.
- Spatial Reasoning – Visualising, picturing and moving shapes around.

Your child will be given information about which lessons the assessments will take place in.

If you require any further information, please do not hesitate to contact me.

Yours faithfully

Lisa Dobson
Deputy Headteacher
