Dear Parents and Carers,

From next week all Year 9 students will be undertaking a series of online tests. These tests are nothing to worry about, lots of schools carry out these tests. The tests will provide your child's teachers with information about their skills and progress in reading and spelling, and in the subjects of: Maths, English and Science. The test results will help to identify students who need specific intervention in order to support their learning.

Your child will be given information about which lessons the assessments will take place in. If you require any further information, please do not hesitate to contact me.

Yours faithfully

Lisa Dobson  
Deputy Headteacher
