Headteacher's Message

It has been great to see so much wonderful learning going on in school over the past few weeks. I know all children have been working hard.

For those of you who are unaware, we have a Facebook page, which we share work on, experiences and photos to give you a flavour of what your children have been up to. We look forward to you following the account - **@Woolston InfantSchool**

It is fantastic to see so many in school by 8.50am. The gates are closed promptly to ensure your child's safety in school. Please arrive before 8.50am so your child can enter through their classroom door and settle into the school day with their friends.

There are a few 'save the dates' on the next page. These are for opportunities to come and watch a live phonics lesson in class as well as the Christmas Nativity for Reception and Christmas Church Service for Years 1&2.
