Nurture, Inspire, Achieve!

"Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ." - Corinthians 12

Dear Parents and Carers,

Well, that half term went quickly!

As we head into the final half of the academic year, we have a few updates to share.

Firstly, I would like to congratulate Mrs Khawaja on her new role as Assistant Headteacher. She is excited to be continuing her journey in education at the school that she attended as a child. Our school vision: Nurture, Inspire, Achieve is clearly lived out in Mrs Khawaja's successful appointment.

I will be taking some previously agreed time away from school during June. During this time, we are delighted that Miss Jones will be returning and will be back at the helm straight after half term. Mrs Khawaja and Miss Jones will be working together to ensure continuity through the current term and to begin planning for the new academic year.

I feel very privileged to be able to return at the beginning of July, just in time to join in with the end-of-term celebrations including: Sports Day, the End-of-Year Celebration Assembly and School Play. These events are always a joyful culmination of the children's hard work and achievements, and it will be fantastic to celebrate with you, our school community. I am so excited to see a 'Colour Run' in action!

Thank you for the support that you have given me during my few months here at Wootton Wawen. I really appreciate the time you have taken to chat in the mornings, thank me and share stories about your children.

As always, we remain committed to our shared values: to *nurture* every child, *inspire* a love of learning, and help them *achieve* their full potential.

I will see you all at the end of June and until then wish you a lovely half term.

Best wishes

Karen O'Shea

Thank you to everyone who completed the art challenge this half term: Design a shield for your House. The standard was amazing, making judging very tricky. These shields have been chosen for the House Point Board in the school corridor. Well done to: Katie, Tia, Ann- Marie and Zach.

Helping hands

As well as being kind and showing compassion in what we say, it is often what we do that other people remember.

Draw and cut out the shape of each person's hand in your family. Decorate it with all the random acts of kindness that they have shown. Mount the hands of each member of your family on some paper so they look fantastic and ready to be displayed.
