Welcome back everyone!

It has been an absolute pleasure welcoming the children back to school. There have been many smiley, happy faces coming through the gate each morning and it has been wonderful getting to know our new Reception children and families.

All children have settled very well into their new classrooms and it's hard to believe we are only coming to the end of our second week of term! There has been a real hive of activity in each classroom and the children have shown great interest in their new topics.

We are so proud of you

Thank you to the staff team, children and families for making me feel welcome in my first two weeks at Wootton; I feel immensely proud to be part of such a wonderful community.

We love seeing the children everyday for a full day of learning!
