

NEWSLETTER

There's not been a more pertinent time to share with you how much of a 'family' our school really is. So many wonderful events have taken place to enrich our curriculum and keep our community thriving—Karaoke night, Anti-bullying week, visits from Alcester Fire crew, Chestnut class assembly, a new FOWS team at the helm, to name but a few! That's what makes Wootton such a special place to be. The nurture from the caring staff team, mixed with inspirational enrichment opportunities ensure all children really do achieve and I could not be prouder of the community we have around us. There are plenty more events to get involved in with the run up to Christmas— keep your eyes peeled for letters on Studybugs, in book bags and don't forget to check the dates at the end of the Newsletter too.

Have a wonderful weekend.

24th November 2023

It has been an absolute pleasure seeing the hard work, cooperation, imagination and creativity develop during our weekly Forest School sessions. Our Year 1 pupils took part in weekly sessions during September and October, with our Forest School teacher, Cath. This term is the Year 2 children's turn and what a delight it has been to see their creativity come to life! Please come and take a look when you're next in the playground. A huge thank you to Mrs Cooke for all of her hard work in our Forest School. We love it!

Beech Hut Boogie!

Wow! What a fun, funky and fabulous

Karaoke night we had on Wednesday 15th November. Singing could be heard for miles around, I'm sure! The atmosphere was a delight and the children had the most wonderful time. A huge thank you to Ms Barnett and Mrs Hartwright for their hard work in organising the event. Keep your eyes peeled for Crafty Christmas and our next Movie night! More information can be found at the back of the Newsletter.

Attendance corner

Our attendance this week was **90.3%**, this is significantly below our target of 96.5%. As a school, we aim for the children to be in 100%. Regular attendance at school is good for children; it helps their social development, health and mental well being too. We know that this time of the year can be challenging with the increase in coughs, colds and viruses, therefore we will be reminding the children to regularly wash their hands. Please support us by encouraging your child to do the same at home.

Ensuring children are dressed appropriately for the changing weather is paramount too. Being well prepared like our Oak class to enjoy learning, whatever the weather! Hats, gloves, scarves and coats a-plenty and **named** clearly too– well done everyone.

Let's keep well, healthy, happy and learning!

Sycamore class were the winners overall with **93.7%** - well done!

If you are struggling with your child's attendance, please speak to your child's class teacher. We aim to support and encourage the children and can only do this with your support.

We are here to help.

School value of the term: Peace

In worship this week we have been considering how we can encourage and show our value at peace in our day-to-day living:

“You could perhaps help friends when they’re not getting along, or encourage them to take some time apart”

“You could give friends some ideas of games to play, it could make them feel happier and peaceful”

A prayer for peace:

God our Father,
lover of all nations, we pray for peace:
peace in our hearts and in our homes,
peace among nations and in our world.
Amen

Staff shoutout!

It's been hustle and bustle in the school this week as preparations are underway for our Christmas Production. Thank you to all those involved for your hard work and preparation. Chestnut Class have been preparing for their Class assembly which took place today (24.11.23). Keep your eyes peeled in the next newsletter to hear all about it! Meanwhile, thank you to Mrs Gair and Mrs Khawaja for their creativity and flair in preparing for this.

We are on the hunt!

To get us all into the festive spirit, we'd love to share a real Christmas tree with the children where they can hang their own, home-made Christmas decorations (separate letter on its way!) If anyone knows of any local companies or providers that may be willing to donate, then please let us know ASAP! Please speak to Ms Agar in the Office.
