*Nurture, Inspire, Achieve!*

**"Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ." - Corinthians 12**

Dear Parents and Carers,

As we approach the end of this term and the Easter break, we are delighted to share and celebrate the many achievements of our school community. It has been a busy and exciting time at Wootton Waven, and we are incredibly proud of all that we have accomplished together.

**SIAMS Inspection:** We are thrilled to let you know that our recent Statutory Inspection of Anglican and Methodist Schools (SIAMS) inspection went extremely well! We received very positive feedback, reflecting the dedication, hard work, and commitment from our whole school community. As soon as we have the full report, we will be happy to share it with you all.

This success wouldn't have been possible without the support of our talented staff, the enthusiasm and eloquence of our pupils, and the invaluable partnership with you, our families. Thank you for your continued support, encouragement, and involvement in school life.

At Wootton, we continue to put a strong focus on nurturing the personal and academic growth of every child. We believe that every student deserves a safe and supportive environment where they can thrive. Our recent achievements in the SIAMS inspection are a testament to the strength of our nurturing ethos, and we remain committed to providing the care and guidance that our pupils need to flourish.

We also place great emphasis on inspiring the children to develop: a love for learning, curiosity, and creativity. From engaging classroom activities to exciting, enhanced curricular opportunities such as trips outside our school setting.

As we move into the summer term, we look forward to continuing this journey of growth and achievement, with you by our side every step of the way.

Once again, thank you to everyone in our school community for your unwavering support. Together, we are creating a place where children can grow, learn, and achieve.

Wishing you all a wonderful and restful Easter break!

Warm regards Karen O'Shea

## A WHOLE SCHOOL CELEBRATION OF SPIRITUALITY DAY

The children enjoyed taking part in Spirituality Day. They made windows, looking out into the world thinking about 'OW and WOW' moments. After that, they used mirrors to reflect on themselves and their unique selves and their goals. The doors session enabled the children to think about what they are going to do to create a better world. At the end of the day, they were able to tell the rest of the school, parents and governors what they had learned and shared their understanding of spirituality. When the SIAMS inspector talked to the children, he was amazed by their insights about others around them and Spirituality Day gave them the vocabulary to be able to talk about justice, equity and equality with confidence.

### Out in the local environment with Chestnut Class

The children in Chestnut Class went on a Geography Field Trip this week. They completed a traffic survey on two different road types and investigated land use in the local environment. All the children were engaged with bringing their learning to life.

## We had a wonderful trip to Coventry Cathedral

A big thank you to FOWS who supported our trip to Coventry by paying for the workshops. The children took part in workshops about Palm Sunday, The Last Supper, Washing the disciple's feet, the good and bad things that happen in life (the wow and ow moments) and looking to the future with hope after Easter Sunday. The children were all amazed by the stained glass windows.

Thank you to Mrs Khawaja for organising a whole school trip to the wonderful Coventry Cathedral.

Wootton is looking to become an International Cross of Nails School (ICONS).

ICONS is a growing network of primary and secondary schools – of all shapes, sizes and backgrounds – around the world, that have recognised the opportunity for introducing principles of peace, forgiveness, conflict transformation and reconciliation into their school communities.

Going to Coventry Cathedral allowed us to see the Cross of Nails for ourselves.

It helped bring to life, the worship that was delivered to the whole school about becoming an ICONS school and how Peace, Hope and Reconciliation can be modelled and lived out by everyone.

## Sunglasses in school

We would recommend children wearing sunglasses when they are outside, especially now that the sun is shining!

Children's eyes are more sensitive to UV rays than adults, this makes it important to invest in good-quality sunglasses for them. Look for durable, well-fitting sunglasses that provide full UV protection.

## Sun cream

With the weather getting warmer now, please can you ensure that children have sun cream on before they leave home in the morning. You can send sun cream in with your children but they will need to apply this themselves.

## Our Courageous Advocate

Annabelle has received the Courageous Advocate Award  
She has received this award for always standing up for what she believes is right. Annabelle is an amazing role model to others.

## Attendance Corner

Our school attendance target is **96%** - this week our total was **96.2% which is fabulous news- Well done to everyone.**

Oak class—92%

Chestnut class- 97 %

Willow class- 95.9%

**Sycamore Class were the winners with 98.9% Well done!**
