

# NEWSLETTER

I hope you all had a relaxing half-term holiday and were able to enjoy the wonderful weather.

The teachers have so many interesting lessons and experiences planned for the children in the coming weeks, I am sure that the time will fly by!

Next week our children in Year 1 and Year 4 will be taking statutory assessments. Year 1 will be taking their phonics screening and Year 4 children will be taking the Multiplication Check. This on-line assessments requires the children to type in the answers to times table questions. Please remember to keep practising on Sound Check over the coming weekend.

## CHANGE OF SCHOOL DAY

Before half-term I sent a letter to all parents proposing that, from September, the school day finishes for all children at 3.25pm. I would like to remind parents that any feedback regarding this should be sent to school by 9th June.

01564 792574

## WATCH OUT! BOOKLET

Today the children in KS 2 have been given a Watch It! Booklet to take home. They provide children with advice on 36 dangers they may face while growing up and links to get help or advice.

These books have been funded by Henley Rotary Club, who have also given the school some PSHE books for our younger children which the class teachers will share with them.

## LABELLING/SUN PROTECTION

Can we politely remind parents to label all sweatshirts and clothing. We have a number of clothing items in lost property that we cannot return to children as they are not named. We also have a small number of plastic snack containers with no names.

Can children also ensure they bring a hat when the weather is warm.

## CHESTNUT CLASS

Just before half-term, Chestnut class visited Compton Verney Art Gallery for a Stone Age Experience Day. The children had a wonderful time and the visit enhanced their understanding about what it was like to live during the Stone Age. The children had the opportunity to light a fire using flint, which is a lot more tricky than it looks! They constructed wood huts and made wattle and daub walls. The children also had the opportunity to make flour and make their own bread. Finally, they constructed their own paintbrushes and paint to create their own "cave paintings."

Mrs Khawaja said that the teachers at the gallery commented on the children's exemplary behaviour and enthusiasm for learning.

Thank you to Mrs Khawaja for organising the visit and to Mrs Hartwright, Mrs Connor, Mrs Tamlin, Mrs Folkes and Mr Goodman who accompanied the class.

## BIKEABILITY

Just before we broke up for half-term, the children in Sycamore class had the opportunity to complete their Level 2 Cycling Awareness course with the Warwickshire Bikeability Team. The children were taught how to ride their bike safely on the local roads. The instructors spoke very highly of all the children and commented on the children's excellent listening skills and team work.

## FOREST SCHOOL

Chestnut class have been enjoying their sessions in Forest School. Here we share a few photographs of the activities they have been enjoying.

# NEWSLETTER

Sycamore class enjoyed planning and then cooking a dish that contained either salmon or mango. Fruit kebabs with chocolate sauce, salmon with pasta, pepper boats, stuffed pepper and pineapple cakes were some of the delicious dishes created. Everyone was very pleased with the final results and enjoyed eating them!

A huge thank you to Mrs Hartwright who supervised the cooking sessions.

Willow class have enjoyed learning all about the small Scottish island of Coll. They have been using maps, photographs and weather data to identify the human and physical geography of the island and comparing it with Wootton Wawen.

Here are some of the class sharing work they are proud of.

## FOWS NEWS

Many thanks to all the children and parents who took part in the Father's Day cards fund raiser and the Smarties Challenge.

We raised a magnificent £221.60 from the Smarties Challenge when the cost of the sweets was deducted. The class totals were:

Oak £43.60  
Willow £88.40  
Chestnut £61.00  
Sycamore £66.60

We also managed to raise £ 202 from our recent Break the Rules Day.

Watch out on Studybugs for details of other FOWS events this term.

Can I thank everyone for supporting these events and especially to FOWS members: Mrs Goodman, Mrs Hayden and Mrs Mason for all their hard work. They are very keen to get more parents involved with FOWS—if you can help please speak to Mrs Agar in the office.

## RELATIONSHIP EDUCATION

Please look out for information sent on Studybugs regarding RSE lessons

Sian Gair

These lessons will start next Friday 16th June.

## ONLINE SAFETY

The online world and digital technology has become such a significant part of our lives – and integral to so many aspects of our daily routine – that we shouldn't be surprised at the degree of influence it can wield over what we think and how we feel. Many experiences that young people have on the internet are hugely positive and uplifting ... but sadly, that's not always the case.

Negative incidents online – such as disagreements with other users, stumbling across upsetting content or feeling left out by friends – can be intensely damaging to a child's emotional state. Our poster at the end of the newsletter has some useful tips for young people on how even small, simple actions can help to children's wellbeing when we're on the internet.

## ATTENDANCE

Our attendance target is 96%. Our whole school attendance for the year is currently below this at 95.3%. This week's attendance is even lower at 94.6 %.

The next newsletter will be on Friday 23rd June.

## Dates

- w/c 12/06/23—Phonics Screening (Year 1) and Multiplication Check (Year 4)
- 14/06/23—New Intake Induction Afternoon—1.45 –3 pm

# Looking After Your WELLBEING ONLINE

We all know that taking care of our minds and bodies is essential to keep us feeling happy and healthy. The thing is, we spend so much of our time online these days that it's also important that we remember to look after ourselves in the digital world, too. Our poster has got some simple but useful tips for supporting your wellbeing while you're gaming, on social media or just using the internet.
