

We have Bikeability coming in week commencing **Monday 15th March to Friday 19th March** to deliver free bike riding training to our Year 5 children. We would like all children to take part.

Please type the link below into your internet browser or scan the QR code and answer the questions to sign your child up for Bikeability. If your child does not have a bike or helmet, please indicate this on the form and one will be provided.

The consent link will expire on **Friday 26th February**, so please do sign your child up before then. Please note that although we have a week with Bikeability, your child will not necessarily be riding every day; training is timetabled into time slots and abilities but the lessons will take place during the school day so please ensure you send a rain mac as they will go out in all weathers unless it is assessed to be dangerous to do so.
