Thank you for your support!

Monday 6th October 2025

HARVEST FESTIVAL

The children will be having their Harvest Festival assemblies in school on Monday 6th October.

Donations of non-perishable food in tins, jars and packets and unopened toiletries such as soap, shampoo and toothpaste would be greatly appreciated.

The donations will be given to the Southampton City Mission who will ensure that they go to families within the city. Please send your donations in from Friday 26th September until Monday 6th October.

On this occasion, the assemblies are just for the children; we will not be inviting parents in. Thank you as always for your support.
