PARENT FEEDBACK

We are creating more opportunities for parents and carers to have a voice. We will be launching a Parent forum group in the Spring term.

SUBJECT SHOWCASE

We are creating Subject Showcase Events where you will be able to come into school and the children will be able to 'showcase' their learning from a specific subject.

PARENT STRATEGY

COFFEE MORNINGS

Coffee mornings are planned in to give parents and carers the opportunity to meet with key staff and to build connections . Our first SEND coffee morning is being held in the last week of this half term

SHARE MY LEARNING

We have introduced 'Share my learning' opportunities each half term so your child to share there learning with you. These will be held every half term.

HOW WE TEACH... EVENTS

Further opportunities are being planned this year for you to come into school and see how we teach particular subjects. For example, phonics, reading and maths. This will equipe you with the strategies we use to help your child learn at outside of school.
