Reread the cyclop pages from yesterday if you can't remember what happened....

Today you are going to write a setting description of the cyclop's cave.

Using your tables from yesterday, think about what sort of cave it is you would like to describe....

Will it be dark and damp?

Will it be grassy and deep?

Think about what we already know as well - there are sheep and goats, there is a fire, it is high enough for the cyclops

Remember - this is NOT a story, so make sure you are writing a description!

Use your 5 senses

Powerful vocabulary

A mix of sentence types

Today write you first 2 paragraphs of your description
