
Emergency Food Aid Information Directory

March 2020

Temporary arrangements until further notice

**Stockton & District Advice
& Information Service**

PLEASE NOTE:

This directory is currently to help organisations during the Covid-19 outbreak. Food Banks have amended the way referrals can be made in light of referral organisations being closed to face to face interactions with those who are in food crisis.

Emergency Food Aid Information Directory – 2020

This Directory gives details of organisations that can provide emergency food assistance to people in Stockton Borough. The Directory is based on information supplied by organisations and indicates the type of assistance available, where and when the assistance is available and if any referral is required to access the service.

Stockton & District Advice & Information Service (SDAIS) has collected and circulated this information as part of its work with a wide range of organisations to support people who are in crises.

SDAIS would like to thank all those organisations who have provided their information and to Crisis Support Steering Group, who helped to develop this Directory.

If any information changes, we would be pleased to hear from individuals and agencies so that the Directory can be updated.

Stacey Sowerby
Help Through Crisis Co-ordinator
