

P p p Learn the cursive shape

1. Trace over each letter remembering the five stages.

4. Trace the outline and repeat three more

7. Trace the outline to join the two letters and repeat two more.

10. Repeat the pattern to the end of the line using 'standard' size cursive writing.

1. Start the approach stroke on the line going up to the edge of the darkest shading.
2. Change direction by making a vertical stroke down below the base line to the edge of the next guide line.
3. Keeping the pen on the paper, return back up the vertical line to the white round marker.
4. Curve over to the right, forming a complete oval by rejoining the white dot.
5. Finish the letter by retracing the oval back down to the base line, finishing with a joining stroke to the right.
