

Relative Clauses

Say whether the sentence contains a relative clause or not (Y or N)

- 1) The park that we went to last week had a very long cycle path.
- 2) The school where my brother's going next year has a computer room.
- 3) When we have written our play, we will perform it to the whole class.
- 4) I bumped into a friend whose daughter is getting married next month.
- 5) Everyone I went to university with has a job now.
- 6) As soon as you're finished, start cutting those planks of wood.

FINISHED? Write your own sentence with a relative clause. Use one of the relative pronouns: who/where/when/whose/which or that
