

We close for the Spring holiday today.

Although this half term has been a relatively short one, it has been extremely busy and productive.

Over the break our site improvements continue with the demolition of the mobile unit (playgroup) which as I had previously shared had been condemned some time ago. Whilst the schedule intends for all works to be completed during the break I ask that you exercise caution on our return to school 'just in case.'!

The children have had the chance to share their Science work this week (from our recent Science week) – ask them about it...

The knowledge organisers and curriculum letters will go out at the start of the new term.

The children should have come home with a sponsored Reading form yesterday – I hope you enjoy sharing books with your children over the break and that you can support us in this fundraiser. Happy reading!

Congratulations to the cohort of pupils who have managed to sustain a 100% attendance record – they will come home today with their certificates – Well done!

We have been informed today that some of our Y6 artwork is being displayed in the Bus Shelters around our area, as part of the Stockton Bus Stop competition - look out in the bus stops on Worsall Road and the High Street – well done to our super artists!

We are very much looking forward to the new term, when our growing projects can begin in earnest, and we can use our outdoor environment more. Thank you for the seeds you sent in for us last week – that will really help!

I hope you have a lovely Spring break and that you get to spend some family time together.

We hope to see you back in school safe and well on Monday 20<sup>th</sup> April to start our final term of the academic year.

Yours as ever

Mrs Wood
