

### True or False Statements

#### How to Look after a Puppy

Puppies are great family pets but they can be hard work to look after. They need to be fed, walked, brushed and played with. All puppies need to be trained too. It helps them become good adult dogs.

#### What you need:

Collar and lead

Water and food bowl

A warm, soft bed

Safe chew toys

- Using information from the text, put a tick in the correct box to show whether each statement is true or false.

	True	False
Puppies are easy to look after.		
They need to be fed, walked and brushed.		
Training helps them become good adult dogs.		
Puppies need three bowls.		

#### What you need to do:

1. Your home needs to be a safe place for a puppy. Keep your toys out of reach. Hide electric cables. Keep doors and gates shut.
2. Take your puppy to the vets. The vet will check that they are healthy. They will also need injections.
3. Feed your puppy twice a day. Make sure they always have water to drink.
4. Teach your puppy to walk on a lead.
5. Teach your puppy to follow simple commands.
6. Spend time playing together. It helps you bond with your puppy.

- Using information from the text, put a tick in the correct box to show whether each statement is true or false.

	True	False
Gates need to be kept shut.		
Your puppy won't need to go to the vets.		
Puppies will already know how to walk on a lead.		
Playing helps you bond with your puppy.
