

True or False Statements

Dear Diary (Saturday 12th January),

I'm so happy!!!! We picked Max up today. He's the cutest puppy in the whole wide world. He's only 10 weeks old and he's so small. Yesterday, we bought him a new bed and two new bowls. One's for his water and one's for food. We got him a new collar and lead too but we can't take him for a walk yet.

He's been a good boy so far. He loves having lots of cuddles. I've also been training him today. If he comes to me when I say his name, I give him a treat. Tomorrow, I'm going to teach him to sit. Wish me luck!

- Using information from the text, put a tick in the correct box to show whether each statement is true or false.

	True	False
Max is 10 months old.		
He has a new bed.		
He doesn't like having cuddles.		
Max gets a treat if he comes when called.		

Dear Diary (Sunday 13th January),

Wow! What a night! I got no sleep at all. Max didn't want to stay in the kitchen last night. He kept barking and whining. I think he was a bit scared and lonely. I wanted him to sleep on my bed but mum said no. She said that he'll soon get used to sleeping in his own bed. I hope so.

He's also chewed up some of my toys. I was cross at first but I soon forgave him. Mum says that I need to tidy them away. I have to make sure the house is a safe place for Max. I'd be very sad if he hurt himself.

- Using information from the text, put a tick in the correct box to show whether each statement is true or false.

	True	False
Max barked and whined all night.		
He has to learn to sleep in his own bed.		
Mum says that the toys are already tidy.		
The house needs to be a safe place for Max.
