## Reading

- **Class Reader**  
We're going to re-introduce 'class readers' just as we would in school, with a free audio book from Audible that we can all share together. We will be sending out a link to a free audiobook, starting with **Kid Normal** that we would love to all listen to together.  
We're asking you to listen to the first **2 chapters** by Wednesday. **No accounts to Audible are necessary** to listen in. Just follow the link to the first book.

- **Reading work**  
Pages 1-6 of **The Truth about Trolls** are to be read, with **page 7 only** being for comprehension work. Your challenge is to go through the target words and write definitions that fit.
