

First job - read through what you wrote yesterday

Does it make sense?

Have you used sentence types?

Is there impressive vocabulary?

Have you used pronouns?

Hopefully this'll be better than yesterday

As Odysseus tried his hardest to think of a cunning, heroic plan, he and his men sunk further into the dank, chilling cave. Using the dying fire as a light source, he scanned the area. Sheep, goats, milk, cheese and a fallen tree. He looked down at the magical wine (concealed in goatskin). Suddenly, the coggs started turning in The King of Ithaca's head. He had a brilliant, daring plan that would require a great deal of luck and nerve.

Now time to write paragraphs 4 and 5

Make sure they are interesting

They contain descriptions

They have sentence types

There is impressive vocabulary
throughout

3rd person please - NO 'I' or
'me'
