

2A Phrases

The Summer Palace was surrounded by flower gardens, with flowing fountains and marble statues.

Princess Sophie was eagerly waiting to show Angelina around.

“There’s oodles of time before the wedding day,” said the princess.
“Let’s play hide-and-seek!”

“And then we can make up a wedding dance,” suggested Angelina.

“Can I play too?” asked Henry.

“You’ll never find us!” giggled the girls, racing off to hide in the rose gardens.

“Ready or not, here I come!” called Henry.

Can you write 2A phrases to describe the palace?

Remember that a 2A phrase has two adjectives (describing words) separated by a comma then the noun (thing) that you are describing. It is not a full sentence. Focus on thinking of amazing adjectives.

e.g. bright, colourful palace
