We hope you are all safe, well and working hard! This week, we will again be providing Reading, Writing, SPaG and Maths activities for you to complete at home. There will also be an activity linked to our afternoon Topic work.

We intend to update and add learning for a couple of days on:

**Writing:**

Monday and Tuesday use Pobble365 <http://www.pobble365.com/>

Like our fortnightly 100-Word Challenges, you can decide what to write about for the picture. If you are struggling, use the ideas and writing prompts provided on the webpage.

A writing task for Wednesday-Friday will be sent separately on Wednesday.

Remember to use the sentence mats provided and to include as many Year 5 SPaG features as possible in your writing.

**Reading:**

Please complete one reading comprehension a day. Most include easy, medium and hard options.

Remember to also read for pleasure each day (DEAR Time) and record this in your reading record.

There are also free audio stories to listen to at the links below.

## SPAG:

Please complete three SPaG mats per week. There is a choice of easy, medium and hard.

Remember to practise the six spellings from the Year 5/6 Word List using one of the suggested activities. Make sure to look up the meanings in a dictionary if you are unsure.

This week's spelling words are: *attached, curiosity, foreign, muscle, relevant, twelfth.*

## Topic/Other

This half term, we have been looking at the local history of Yarm and the River Tees.

We would like you to explore how the River Tees and its uses have changed over time.

Use the information provided and pictures of the River Tees past and present to complete the comparison grid. Feel free to research using the Internet.

## PE

Tune in at 9am each day for *PE with Joe* to keep yourself physically and mentally fit!
