

Yarm Primary School
Accessibility Plan
2020 - 2023

Priority	Issue to be addressed	Timeframe	Leaders	Success Criteria	Cost
1	2 Individual children continue through school (KS1 and KS2) – Medical bed in disabled toilet serviced annually — staff have manual handling training and training around health conditions plus additional training provided for specialist hoist equipment New medical bed in the learning zone September 2021 to add to service contract with Prism	Ongoing dependant on need	Principal/SENCo working with specialists around the children– all staff to be aware of routes through school	The successful integration of children in to school community. Parents confident that we are meeting child’s needs. Staff who feel confident in supporting child physically and in his/her education. Training updated September 2020	Annual cost of equipment service New bed paid for by ELT
2	Lack of flexibility around 1 to 1 working has been addressed by working in ‘teams around the child’ – EY staff to support while numbers are low in EY1	Continues from September 2020	Principal	The impact of staff absence is lessened. Staff and children get to work with a number of individuals alleviating issues often caused by 1 to 1 working.	Budget neutral
3	Availability of written materials in alternative formats – This is offered through our website	Ongoing	Principal/ABM	Take-up of information in different formats	To be addressed further as need requires
4	We have addressed the uneven paths around school – specifically the path from the Year 3/4 yard to the office Playground (specifically KS1) surfaces have been highlighted as	Reviews are ongoing	ADM, site supervisor and ELT estates manager	Paths, and playgrounds can be used safely by all members of our school community.	To be confirmed

	unsafe in places – this is being monitored jointly by the school and the Trust – potholes to be filled as required in the interim Car park relaid 2019				
5	KS2 library is currently not wheelchair accessible – this may be a future consideration dependent upon funding FUNDING NOT AVAILABLE	TBC	ADM and principal – lottery funding applied for but turned down – application made to local building work for support – no support available	KS2 library is accessible to all
