

### Activity 1: Match characters to what they said

Read this short extract from *Funnybones* and then try the activity below.

The big skeleton and the little skeleton played on the swings.  
They threw a stick for the dog.  
Suddenly something happened.  
The dog skeleton chased the stick, tripped over a park bench, bumped into a tree-  
"WOOF" – and ended up as a little pile of bones.  
"Look at that!" the big skeleton said.  
"He's all come to pieces. What shall we do now?"  
"Let's put him back together again," the little skeleton said.  
So the big skeleton and the little skeleton put the dog skeleton together again.  
They sang a song while they did it.  
"THE TOE BONE'S CONNECTED TO THE – FOOT BONE!  
THE FOOT BONE'S CONNECTED TO THE -LEG BONE!  
THE LEG BONE'S CONNECTED TO THE – HIP BONE!  
THE HIP BONE'S CONNECTED TO THE – BACK BONE!  
WOFO!  
OOFW!"  
Then they got mixed up.  
"Is that a toe bone?" the little skeleton said.  
"Where does this one go?" said the big skeleton.  
OWOF!

### Activity - Match the character names with what they said:

#### Characters

- The big skeleton
- The little skeleton
- The dog skeleton

#### Quotes from *Funnybones*

- "Is that a toe bone?"
- OWOF
- "Where does this one go?"

Can you write your own speech sentences for one of the characters?
