

### **Activity 3: What do you think?**

Re-read the extract in 'Activity 2' above. Pay attention to the part where the writer describes Daisy's frown.

Do you think it would have been Mum's fault and the front doors' fault if Daisy ended up with the worst frowning face?

Talk about who's fault you think it was and explain why you think that.

Can you make a frown? See if you can make the worst frown in the world.
