Dear Mr Graves,

Re: Blackstock adventure playground,

I am writing to complain about the adventure playground in Blackstock, which has become extremely dangerous.

Firstly, I would like to inform you of broken bottles and cans left lying around the playground. If a child fell on the glass, it could cause a serious injury or a fatality which would be a dreadful thing to happen. For instance, only last week a child was taken to hospital for stitches to his knee after falling on a broken bottle.

Secondly, I would like to inform you of the vandalism to the playground. For example, the climbing frame has been bent and broken by thoughtless teenagers. Also, it does not create a good impression of our town to anyone driving by.

I believe there are a number of things you could do to rectify these problems. Firstly, you could place bins in the playground and empty them weekly. Secondly, you could place a sign in the playground saying 'No Litter!' In addition, you could set up a CCTV camera to discover who is vandalising the playground. Furthermore you could send someone to repair the playground in time for the holidays.

In conclusion, I hope you will consider my suggestions for the safety and well-being of the local community. I look forward to hearing from you.

Yours sincerely,
Vikram Kumar

Text 2

Dear Mr Graves,

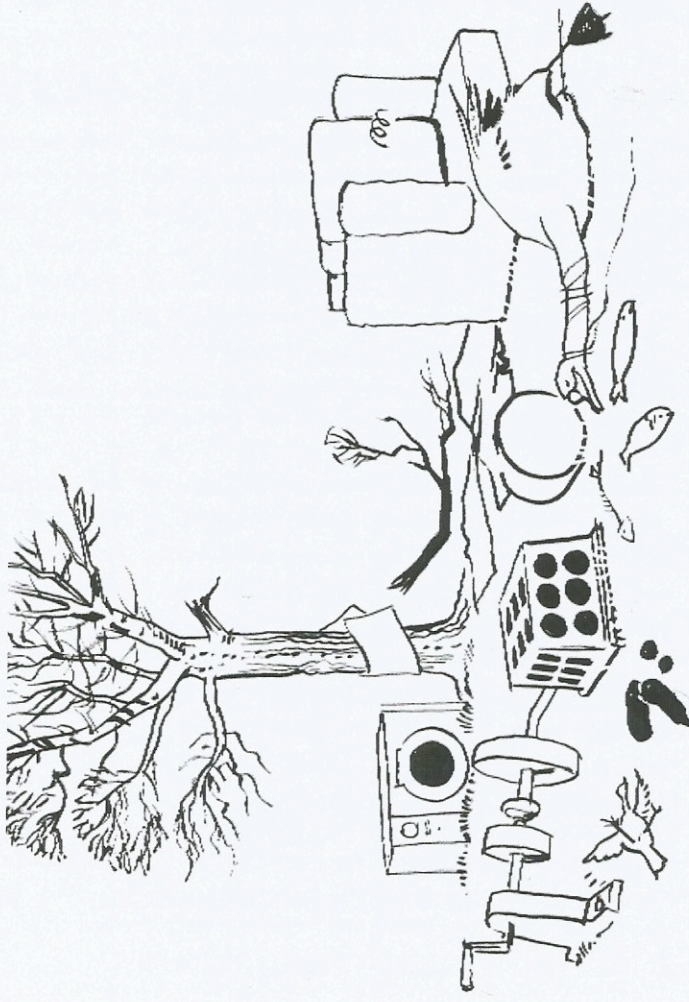

I am writing to you about the adventure playground. There are lots of broken bottles and cans and children could hurt themselves. The playground is unsafe too. Teenagers have been breaking things. It doesn't look very nice for people passing by. You should put some bins there and a sign saying no litter. You should put a camera there. You should mend the broken things.
