

Dear Children,

Monday 11th January

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Science
Monday	<p>Starter: Flashback 4</p> <p>Daily Mental Maths: Complete the mental maths questions. Answers are attached.</p> <p>Multiplication – 3 digit number by a 2 digit number</p> <p>Work through the teaching slides and complete the calculations and reasoning problems on the slides.</p>	<p>Guided Reading Task;</p> <p><i>The Sun</i> Reading Comprehension. Please read the text and complete the questions attached. There are 3 levels for you to choose an appropriate level of challenge. * Easy **Medium *** Hard</p> <p>DEAR Time: Enjoy a book of your choice for a minimum of 20minutes.</p> <p>Class Reader: Jazz Harper Space Explorer Ebook</p> <p>Please read Chapter 2 over the next 2 days.</p>	<p>SPaG: <i>First, Second or Third Person</i> (see separate slides for information about this.)</p> <p>54321 Spellings for this week: <i>calendar, enough, imagine, often, recent, woman.</i></p> <p>Writing task: this week you will write a setting and character description based on an imaginary planet and alien. Complete the activities on the teaching slides, including reading the WAGOLL and annotating (labelling) it for the genre features.</p>	<p>The Solar System</p> <p>Look at the teaching slides and learn about the different planets in our solar system. Complete the poster about the different planets.</p>
Daily challenge	Choose a planet and create a quiz about that planet. Try and aim for 10 questions. You could consider giving multiple choices to make it easier. See how many your family can get right.
